SUBJECT	Operational CYROSE/KUDESK/KUWOLF/PM G-2 Penetration Action Against ANSPELL Organization and "Other Groups" in PBRUMEN													
ACTION REQUIRED	REFERENCES	<b>MICROFILMED</b> <b>FEB 4 1963</b> DOC. MICRO. SER.												
Action Required: FYI	References: A. WAVE-3286, 14 January 1963 B. UFGA-7027, 28 December 1962 (RYBAT) C. UFGA-7038, 20 December 1962 D. UFGA-7247, 12 January 1963 (RYBAT) E. UFGA-7322, 17 January 1963 F. MEXI-2829, 13 December 1962													
<p>1. On 4 January 1963 AMHINT-27 met with [QUANTUM-5] in New York City, and [QUANTUM-5] advised him that Jorge MEDINA Bringuer, the Secretary General of ANSPELL in PBRUMEN, is a G-2 agent. MEDINA and AEDO (fnu), who was said by [QUANTUM-5] to be on the ANSPELL National Executive, were actually G-2 penetrations. They planned to "roll up" the entire ANSPELL organization and "other groups" in one sweep and then escape by boat and contact AMHINT-53 in the JMWAVE area. MEDINA was in contact with AMHINT-53 while in PBRUMEN and planned to use AMHINT-53 to establish his bona fides with KUBARK.</p> <p>2. [QUANTUM-5] further advised that another mission of the two G-2 agents, MEDINA and AEDO, was to make contact with Iden A to determine what role it played in anti-CASTRO activities. The secretary of [QUANTUM-5] had been a very close personal friend of AEDO's since childhood and AEDO feared she would be implicated, so he told her of his espionage mission. She informed [QUANTUM-5] and then arranged a meeting between [QUANTUM-5] and AEDO. AEDO told [QUANTUM-5] of his mission and arrangements were then made to get all the ANSPELL leaders into asylum in the Uruguayan Embassy. On or about 10 December 1962 about 25 persons, including AEDO, went into asylum.</p> <p>3. [QUANTUM-5] further said that AEDO reportedly was arrested by G-2 a long time ago and then recruited to work for the PBRUMEN Government.</p>

4. Reference C is a chronological summary of AMHINT-33's activities subsequent to his infiltration in PBRUNEN, and his contacts with Chelin, the brother of AMFRET-7. AMFRET-7's arrest was reported in Reference B. The AMFRET-7 Case Officer states that both AMFRET-7 and his brother were arrested, after shooting it out with G-2 and being wounded. As noted in Reference D, AMFRET-7's arrest was made after [QUANTUM-55] and Blanca MARTINEZ de Hoya, aka "Cuca," aka "Cuchi," brought MEDINA, ANSPELL's National Military Coordinator for Reception and Supply, to Iden A where MEDINA recognized AMHINT-33. AMHINT-33 said MEDINA was an old friend of his and had lived near him.

5. AMHINT-33 said further that his brother knows MEDINA, that MEDINA is the man whom AMHINT-33 used in 1961 to check up on \*REBELLON (fnu), the FEU Secretary General in PBRUNEN. AMHINT-33 added in his S/W Message 11 of 10 December 1962 that "his friends" are still in jail.

6. Reference E transmitted a letter written by AMHINT-33 on 29 December 1962 in which he states that G-2 infiltration is so great that he considers it impossible to organize anything, and he indicates that some of the agents, as in this case, have been infiltrated for more than two years. He presumably means infiltrated into anti-CASTRO organizations and/or activities.

7. Relative to the "other groups" mentioned in para. 1 above, AMHINT-33's Case Officer believes that AMHINT-33 is probably referring to the MRR, the MRP, the MDC and the 30th of November groups. The "friends" mentioned in Para. 5 may be one Eduardo BRINGAS, who is about 23 years of age, one GOUMI (fnu), and others previously referred to but not identified by AMHINT-33; they may have worked for AMHINT-33.

8. JMWAVE traces on the individuals involved in this plot offer little concrete information.

a. It is noted that Jorge MEDINA Bringuier is listed on Page 13 of Attachment C to UFGA-4977 as an MRR member, with a listed aka of Carlos PRADO. JMWAVE tracing identifies one Carlos PRADO as "a brother of Raul, the head of G-2 in Las Villas Province," as reported in HAVA-6437, 5 October 1960; there is no further information on this Carlos PRADO. However, the original source of the information given in Attachment C of UFGA-4977 was a letter brought out of PBRUNEN by AMSTRUT-1 about early July 1962. Said letter contained a \$25 money order, issued at Station No. 9, New Orleans, on 16 March 1962, for Jorge MEDINA Bringuier and purchased by Maria Teresa MEDINA. The envelope, addressed to Sra. Consuelo C. de RIVAS in Mexico City, bore the notation, "For Carlos PRADO," and contained a note, "This money order for \$25 is for Carlos PRADO from his mother," in addition to the money order. There is one Carlos PRADO in Mexico. He is studying engineering and is the brother of Faustino PRADO Garcia, an engineer who works close to "Che" GUEVARA and is of current KUTUBE interest. Faustino PRADO is married to Clara ARTIME, a sister of Josefina ARTIME, who is a close friend of ANGLIN-9, and she is also of current KUTUBE interest. When AMSTRUT-2, who could have given this letter to AMSTRUT-1 to take out of PBRUNEN, was in Mexico City she called Carlos PRADO by telephone at 249769 and told him that she was a friend of his mother. This PRADO family is a large one, and includes another brother, Angel, who is in Spain, a sister who is a nun in Italy, and another brother who is a doctor in New York City. Additional data could be secured on this family from AMSTRUT-2 if desired. However, it seems probable that this money order may have been sold in Cuba by Jorge MEDINA and purchased, sooner or later, by the mother of the Carlos PRADO who is currently a student in Mexico. A copy of the material carried out by AMSTRUT-1 is being forwarded herewith. It will be noted that a part of the attachment was disseminated as UFG-1239, 13 July 1962.

b. It is further noted that JMWAVE files show one "Mongo" listed on Page 14 of Attachment C to UFGA-4977 as captured and sentenced to 30 years in prison. This information came from UFG-779, 12 January 1962, which was based on an ANCUTLER-1 intercept of a report from the MRR Acting Internal Coordinator in PBRUMEN to Hipolito LAZARO, the MRR Internal Coordinator temporarily in PBRIME, sent via the [redacted] There was no further identification of this "Mongo." 24

c. It is noted that Reference F identifies Jorge HAEDO as a former anti-Castrista who was tortured and doubled by the PBRUMEN Government; HAEDO appears to be the correct spelling.

d. "Cuca" or "Cuchi" MARTINEZ, who has held the position of AMSPELL National Coordinator for Civil Resistance, is a personal friend of ANCOG-3 and family. She is believed to have taken asylum in the Mexican Embassy. SW Message 12 from ANCOG-3, dated 8 December 1962 and received 12 December, reported that [QUANTUM-51] 01 advised "Cuca" to hide or be cautious because MEDINA had turned out to be a G-2 member. The message said that this was learned from AMSPELL prisoners and that, during interrogation, they were asked many questions about "Cuca" and ANCOG-2.

9. When the AMHINT-53 security review mentioned in Reference A is received, additional investigation as necessary will be made at JMWAVE.

I am going to place the communication abroad in Sofi's hands; no one better. What I need is that you explain to us better how to make the contact from here over there, that is, how and where to see SARAHIA, the contact which you said you had with him. Sofi knows him but doesn't know where she can see him. Remember that Sofi is already being checked because Estoban's wife knows her and asked about her. I am going to try to have the treasurer be a friend of Sofi's who knows where the money is. He is a fully trustworthy boy called Alejandro.

Tell Dr. LAZAGA that I don't write to him about the affair because it is easier for me to write to you, but that he and this boy should have relations, and I with Cuchi and with you.

We give the support to LAZAGA together with the Executive, because it would be impossible to only one person, and for the case it was left in our hands. You see that the Executive over there is fully answerable to us and that way there will be no problems.

We don't know anything about my namesake. So far all the contacts have failed. Let's see what we can clarify.

Tell Tomas that the news I sent him about Dos Rios was through a contact which I made with our brother-in-law D. He is willing to work and has people in his area, and also in the coast. I believe that a lot can be done up there. Besides, Dito left me a terrific contact also at that coast, whom we have to put in contact with D. Tell Tomas to let me work also in that area, which is mine and of my people, and that if he gives authorization that we can send a guerrilla band to work with that people. Of course, this guerrilla chosen by us to avoid their sending people of the A. [unclear] and have them take command away from us. You know how that is.

Write to our other brother-in-law in the embassy and find out when he leaves because I know that he is already leaving but to come back to me immediately. Let's see if he leaves, takes a fast training, and comes back. Have them get much map reading and man to man combat with bayonets which is very good at night and no one here knows anything about that.

You must explain the thing a bit to Dito so that he will gain enthusiasm. If he sees that the thing is serious and has real support he will come. The only thing that I like Dito, he needs support for his family. Explain everything to him and I think he will come. He leaves tomorrow and I gave him your phone. If he needs money for his

wife and for himself give it to him from mine. I authorized him to ask you for it.

If they would let me, in our province I would place 3 or 5 guerrillas with the contacts which I had before and have now, and we would fill that up for these people, that is, we would start a war in all the provinces, plains and everything.

Well, this letter is going with safe hands to Miami where it will be mailed, tomorrow. So the S.W. which I sent will arrive later if I can't get it taken with this one because I already gave it to have it mailed. Let's see if we can get it back in time to have it arrive soon.

I will write to Deba and Martha Elena another day with calm, and I don't have the details of your letters on hand.

Regards to all and you receive love from your brother,

✓ Xanolo

comunicación al exterior de la zona, a poner en marcha un  
 sistema mejor que el de. Lo que yo necesito es que el  
 contacto que tú me hicieras tener de Hamburgo, es un impli-

 cuando irlo a él. Sofi lo conoce, pero no sabe donde está.  
 Recuerda que a Sofi ya la están chequeando pues la mujer  
 de Esteban la conoce y preguntó por ella. El tercer uno  
 a tratar que sea un amigo de Sofi que sabe donde está el  
 punto. Es un muchacho de toda confianza llamado Alejandro.  
 nos.

Dile al Dr. Bayaga que no le escribí sobre el particu-  
 lar porque a ti me es más fácil, pero que este muchacho  
 es el son los que deben tener relaciones, y yo con  
 él y contigo.

El apoyo se lo damos a Bayaga junto con el Ejecuti-  
 vos porque a una sola persona sería imposible y para  
 el caso se dejaba en nuestras manos. El de proveer que  
 el ejecutivo en esa respuesta plenamente a nosotros y  
 así no habrá problemas.

De mi tocayo no sabemos nada, todos los contactos  
 nos han fallado hasta ahora. Vamos a ver que pasamos  
 en el otro.

Dile a Tomás que la noticia de Dos Ríos que le man-  
 dió fui por un contacto que hice con nuestro curador  
 D., este está dispuesto a trabajar y tiene gente en su  
 zona, a más de por la costa. Creo que por allá arriba  
 se puede hacer mucho, además leíto que dejó un con-  
 tacto formidable por aquella costa también, el cual  
 punto poner en contacto con D. Dile a Tomás que  
 me proponía trabajar también para esa zona, que

(3)  
la mía, la de mi gente y que si el día autorizaci-  
ón puede mandar una guerrilla a trabajar con esta  
gente. Desde luego esa guerrilla escogida por nos-  
tros, no vaya a ser que manden gente de los ameri-  
canos y nos quiten la jefatura, tu sabes como es  
Cárdenal a nuestro otro cuñado en la embajada y  
aspiraba a ser cuando salí pues yo sé ya que el va  
para ir a volver conmigo enseguida. A ver si sale y es-  
ta un training rápido y vuelve. Que cojan muchos  
de lectura de mapas y lucha cuerpo a cuerpo con bayo-  
nes que esto es una cosa buena de noche y aquí nadie se  
de nada de eso.

A Beto le tienes que explicar la cosa un poco para  
que coja embullo, si el ve que es seria la cosa y con  
verdadero respaldo el viene, lo único que igual que  
tengo necesita ayuda familiar, aclárale todo que yo  
soy que el viene. Mañana sale y le di tu teléfono,  
si le hace falta dinero para la semana y para el día  
del mes, yo lo autorizo a pedirte lo.

Si me dejaban en nuestra prov. yo metía 4 ó 5 guerril-  
las con los contactos que yo tenía antes y ahora, y le  
explicaríamos aquello a esta gente, o sea le metíamos que  
era en toda la provincia, llano y todo.

Bueno, estaba en manos seguras hasta Durán donde  
ya pondrán en el correo mañana así que el S.W. que man-  
de llegará después que esta si no logro que lo lleven junto  
con esta pues lo di ya para que lo echaran al correo, so-  
mos a ver si se recupera a tiempo para que llegue pronto.

A Beba y Martha le va la conteste por día con calma y los  
promisores de las cartas de Uds. que no las tengo a mano.  
Hicieron a todos, y Uds. reciban un abrazo de su hermano
