1. Headquarters is in receipt of an ODIBEX report of 10 December 1960 concerning the recent activities of Eloy GUTIERREZ Manoyo (201-269349). In case the ODIBEX Attaches have not informed the Madrid or Paris Stations, a summary of the information from a source who has reported reliable information in the past is as follows:

A group whose aim it is to overthrow Franco in Spain is to be organized in France when about 4000 Cubans and persons of other nationalities will start coming into France. The leader of the movement is Eloy GUTIERREZ Manoyo who is being helped and given support by the Cuban Government. Before the actual move into Spain is made, an approximate number of 1000 persons, already in France, await the arrival of the 4000 who are to arrive there soon after the first of 1961. The 1000 currently in France reportedly have arms and equipment for the entire force. All of the persons who depart from Cuba on this mission will be carrying Cuban passports irregardless of their nationality.
