INTERNATIONAL ASSOCIATION OF PHYSICIANS

This is a secret international organization of physicians from all over the world. The names of the physicians and their offices are the only information available on the fact of the existence of a doctor of a physician, in the form indicated. Yellow fever certificates are given by private physicians, not only by public health organizations. The names of the patients used for the study are appropriate for the place where the information would have been given. If there is no yellow fever information entered, the private physician could transmit the certificate to the public health office for certification.

The certificate must be signed in ALIAS area for each communication
