ANDRO-1 SXCERET PRO DEATE 2

A-1 wont to series to seet a Charrons could be adviser to take to the about some of this sork. Show did not show up, but he was in series from 11 to 23 farch 1061. Anile there no net 2 persons from Micaragua, Professor Tours and Soci Charles, one in the Salan anhansy, one in a private house. One 15 fam in maxico is consul Alfredo Maria, grace of the center (Is chief), to 16 April, when he was replaced by samuel VaGA reroz. Conserval attache Ricardo TAFIA or CONCIPCIO and Regalic are Is.

For come use mostly accommodation addresses and s/w but not too successful because w developers don't work; developedletters can't be read. Use radio; 2-way radio some used for normal transmissions back and forth, participally to Venez. Some radios only for energency, such as attack on Cuba. Wormally use s/w. If an agent is to be sent to latin America, Pineiro, Valdes, and hidel would discuss it; with Fidel's consent, orders would be issued and p seports issued agent to go out - this is were or less permanent assignment under diplo cover. For TDI trips like A-ls he gets a passert in a false name.

For trips to Socialist countries, travel laid on with Culan embassy there. In CSR there is a CUR IS officer in the Cuban embassy who decides unether visa will be granted. Faisified Cuban passports (in faise name) plus legit passports of Latin American countries, cedulas issued to trainees who came to Cuban for g/w trng. Most trainees come to Cuba obtensibly for g/w trng and go back to export the revolution at home. Unlie being trained in Cuba, students are cased by DNI desk officers and those good for 15 use separated and trained for intell missions without knowledge of other students or Cr of their own country. Fexican passport secured thru CP Salbador contact, sent to Cula to be used for someone who did not have does or wanted another nationality.

Financial report of Micaragua Fl.W.

Yell Sosa, Honduran, Sholably new in Costalkica: A-1 thanks he was de orted from

conducas to Costa aici; case called INTERVATIONAL CASE because each rember of family has different citizenship; he traveled with his family. 10% bosa was trained as agent, racio, cole, cipier, s/w, accommodation address.

Julio DANASO Vazques handling INTERVATIONAL CASE. 5!5" husky, sonotimes called the mayatian because light mulatto; also trained in s/w codes, cipiers, radio, also parachuting; trained for Central Amer assignment but still in Cuba.

Reque DANTON Carcia, Salvadoran, father was us citz and 3 prothers are, one fought at Chinava; sister magnita Foxican citz now studying in Cuba. A-1 as case officer gave DANTON 5000 to buy radio received, but DANTON took a trip and lived high instead. He has frequencies for radio transmission, supposedly seend londay each month.

Frequencies were films, film was rolled and put into false meal of his shoe.

Accommodation address of DALTON is Rafael ACEVADO Flanco, Delgadillo 22, Colonia Santo Toras, Zone 17, exico, DF. Acturn addresses invented so as not traceable.

Agents in Cuban for intel or g/w training on departure receive 2 passports, one Cuban to travel to Frague, one for betten—from Frague to own country. Agent left Cuba once using our passports because not time for DCI to get them passports with proper cachets. When passport for travel issued, DCI stamps in back cachet such as from Orly Mirport with date to correspond to period when agent was in Cuba.

DCI chooses countries for cachet use on basis whether man of agent nationality would have to have a visa for the country. Nost latins can go to France without a visa, so France is useful because no duplication or visa forging needed, only cachet for Orly arrival. This shows apparently person was traveling in Europe while actually being trained in Cuba.

Outen passports with false names have 5 digits, starped, hence recognizable. To uses stamp with just 5 digits. Name in passport false, for that trip only.

Agent in trng assigned permanent pseudonym, which he would use again on a return to Cuba. When D.M started, it scretimes assigned a trng pseudo, another pseudo for second trip to Cuba, but it caused complications because of separate files, so trng pseudo was nide permanent.

Celicio DisARIMTO lonzales -oreano, Micar, 13 agent, now in Micar, has accerno address isabel RODRIGHT, Piztagoras 846, Altos, Colonia Marvarte, Lexico, DF; letter from accerno address imiled to Cuban IS.

IGAr requests for vaccination indicate IS interest; non IS types word go to police Cable signed Pablo indicates it from DII Hos.
