SOURCE: **A member of a group of Cuban emigres trained in the techniques of information collection. The group has provided useful reports since 1961.**

1. On instructions from Orlando Bosch Avila, leader of the Insurreccional Movement for Revolutionary Recovery (Movimiento Insurreccional de Recuperacion Revolucionaria, MIRR), Marcelino Garcia Jimenez, chief of the directorate of that organization, was preparing a letter in early July which was to be addressed to President Lyndon B. Johnson. It would contain accusations against the Central Intelligence Agency, the Federal Bureau of Investigation, and the United States Customs Service. The leaders of the MIRR hope to create a scandal when the contents of the letter become known.
2. Bosch has accused Frank Rafferty and William J. Johnson, United States citizens, of having informed the authorities of an operation which resulted in the arrests of members of the MIRR, and the seizure of material in Orlando, Florida.
3. According to Garcia, a member (not identified) of the MIRR had been sent to Canada to sabotage ships which are engaged in trade with Cuba, and Orlando Ramirez Sanchez, a member of the action group of the MIRR, was in Venezuela on a mission.
4. Gervelio Gutierrez Concepcion, aka "Mimo", a member of the military section of the MIRR, said that the organization had no supply of explosives. However, during conversations between Gutierrez and Garcia, it was indicated that there was possibly a small supply of explosives at Key West.

5. According to Garcia, the financial situation of the MIRR was serious; they had only \$500 (U.S.). In discussions by MIRR officials concerning the raising of money, the possibility of increasing propaganda was being considered, as well as a possible trip to New York by Garcia in an effort to solicit financial aid there.

1. Field Comment: The Miami press has reported that Bosch, Guffierez, Jose Diaz Morejon, and Marcos Rodriguez Ramos, all Cuban exiles, as well as Rafferty and Johnson, were arrested at Zellwood, Florida, on 10 June. Eighteen aerial bombs and some small arms and ammunition were seized. The four exiles were indicted by a federal grand jury in Tampa on 23 June on a charge of conspiring to export munitions. Their arraignment, originally scheduled for 30 June, was postponed until 15 July because of the serious illness of Bosch's father.

REPRESENTACION CUBANA DEL EXILIO (RECE)  
BELL'S OFFICE BUILDING  
1784 W. FLAGLER ST., MIAMI, FLA. 33135

NOTA DE PRENSA No. 11 de 1965

Junio 11 de 1965

La REPRESENTACION CUBANA DEL EXILIO (RECE) protesta energicamente por la detencion del conocido combatiente cubano Dr. ORLANDO BOSCH dirigente del Movimiento Insurreccional de Recuperacion Revolucionaria (MIRE) y por el desomiso del avion B-26 y el armamento destinados a una accion contra los objetivos intereses Castro-Comunistas

Una vez mas, el Gobierno Norteamericano, en evidente contradiccion con las publicas declaraciones de sus dirigentes en favor de la libertad y democracia de los pueblos del Mundo, FRUSTA una situacion de los Cubanos Libres y Revolucionarios encaminada a propiciar el rescate de la libertad y la democracia de su esclavizada Patria.

Inexplicablemente, todo el aparato belico de los Estados Unidos despliega su poderio para amosar la ACCION de los Cubanos Libres -la legitima accion de los Combatientes por la Libertad- contra el enemigo comun, la tirania CASTRO-COMUNISTA, mortal enemiga de este Pais y ocupadora de nuestra Patria.

INEPLICABLEMENTE, todo ese aparato belico se convierte en tanto protector del Colonialismo Cubano, olvidando los principios de libertad y democracia que, en Fidel Castro, encuentran su mas encarnizado enemigo.

A plena responsabilidad afirmamos, que ni la detencion de los patriotas Cubanos ni el desomiso de sus armas DETIENE LA LUCHA POR LA LIBERTAD DE CUBA, que suspa el aparato de la tirania indomable y el espíritu de sacrificio de sus hijos, con la solidaridad y apoyo moral de todos los pueblos libres del Mundo.
