Memorandum for the Record

Subject: FOIA Request for information relative to the Assassination of President Kennedy from Mark Lane

CIRA/CA (ex-SIG) references which might have a bearing on Subject request were reviewed by the undersigned. Two memos are attached for further review by AC/CIOPS.

The bulk of information furnished previously to the Warren Commission is available to the requestor in the National Archives. Additional information held in CIRA/CA files is not releasable and, for the most part, does not bear on Subject request. Release of information concerning OSWALD would constitute an invasion of his privacy.

Other CIRA/CA holdings are from the FBI, U.S. Treasury, Foreign Liaison sources, Newsclippings and other overt sources, Immigration and Naturalization Service records, the Department of State, the Office of Security and are not releasable by CIA/CIOPS.
