<p>1. As a result of the recent review done of the LIFEAT and LIENVOY Project, it came to Headquarters attention that LIENVOY-S, who was believed to have been terminated, was still covered by the LIENVOY Project.</p> <p>2. According to HOMA-14976, LIENVOY-S was the cause of a security problem for LIENVOY in February 1960 when he requested release from LIENVOY and a transfer to his parent organization, the [redacted] LIENVOY-S was described as a "sour" nationalist who disapproved of ODYOKE's sharing of the LIENVOY take.</p> <p>3. Headquarters now notes that LIENVOY-S's clearance has never been cancelled and there is no Agent Service Record or termination report in his file. LIENVOY-S was included in the LIENVOY Project renewal request for the 1961/62 project year, but not for the 1962/63 year. The field project renewal request for the 1963/64 year included him again.</p> <p>4. It is requested that the Station inform Headquarters of the present status of LIENVOY-S (201-118406). If he has been terminated, please forward an Agent Service Record. If he is still being used, please provide a current analysis of his reliability and comments on any security problems present in light of his actions and reputation in 1960.</p> <p style="text-align: center;"><b>END OF DISPATCH</b></p> <p>Distribution: 021 - COS, Mexico City</p> <p style="text-align: right;"><i>31 Oct 62</i></p>
