Admiral Stansfield Turner
Director of Central Intelligence
Central Intelligence Agency
Washington, D. C. 20505

Dear Admiral Turner:

The Select Committee on Assassinations has subpoenaed Santos Trafficante to appear before it. His appearance is scheduled for Wednesday, November 2, 1977 at 9:30 a.m. It has been alleged from numerous sources that Mr. Trafficante was involved in various activities in conjunction with the Central Intelligence Agency.

I would appreciate it if you could determine whether or nor Santos Trafficante, in any manner, had any relationship or was ever affiliated with the CIA and inform me of this information prior to the scheduled meeting on November 2.

Further, even if Mr. Trafficante had no relationship with the CIA, he may believe that actions he has taken were at the direction of responsible persons in the Central Intelligence Agency. Accordingly, in order for the Select Committee to obtain Mr. Trafficante's truthful testimony, it would be most useful for the Committee to have a letter from yourself releasing Mr. Trafficante of any obligation of secrecy he may have made to the CIA, to anybody who represented himself as being affiliated with the CIA or to anybody Mr. Trafficante believes was affiliated with the CIA. It would be very much appreciated if we could have this letter prior to Mr. Trafficante's scheduled testimony.

Thank you for your continued cooperation in the Select Committee's investigation.

Sincerely,

G. Robert Blakey
Chief Counsel and Director

MEMORANDUM FOR: General Counsel
 ATTENTION: Mr. Edmund Cohen
 FROM: Sidney D. Stenbridge
 Acting Director of Security
 SUBJECT: Dade County Police Request for
 Assistance in the Investigation
 of the Roselli Murder (U)

1. Action Requested: None; for information only.

2. Background: Attached herewith are responses to questions posed by Dade County Florida Police Detectives in regard to information which may be of assistance to them in their investigation of the murder of John Roselli. This Office has no objection to the information in the attachment being made available to the Dade County Detectives. However, it is our understanding that a final decision as to what will be made available will be subject to further coordination with the Directorate of Operations since that Office has had an operational interest in several of the individuals mentioned in the request.

With regard to the request for the identities of three Cubans mentioned in John Roselli's testimony before the Senate Select Committee on Intelligence, this Office is aware of the identity of two of these individuals. However, it is our position that the names of these two individuals cannot be released to the Dade County Detectives without violating the principle of the protection of sources and methods of Agency clandestine operations.
