The prices were quite indicated than I would expect  
Americans can save quite a bit. My purpose in  
the note is to tell you that I learned that the  
Americans are being offered a much lower price  
than the price which the Americans pay. I naturally  
told Alvin that they would be able to pay  
prices double for anything as any amount from the  
Americans than to be "worked on" by a foreign  
buyer. This is the case.

I have the pleasure to  
acknowledge the receipt of your  
letter of the 11th inst. for the  
amount of \$100.00 for the  
year 1911.

Yours faithfully,
