CENTRAL INTELLIGENCE AGENCY
DISPATCH

AIR TOUCH NO. 202

22 December 1952

TO: Chief, SE

FROM: Chief of Station, [redacted]

SUBJECT: General - [redacted]
Specific - [redacted] Activities

REFERENCES: DIR 32920, dated 21 December 1952
[redacted] 5294, dated 19 December 1952

1. The available evidence as given in reference cables, particularly in view of the conduct of [redacted] here in Belgrade in its relations with AMOAK, tends [redacted] to agree with the views expressed in reference cables. It would be of value if this station could be advised of any other [redacted] efforts of this kind that come to our attention. It might be that further possibilities would be presented by them.

2. There has come to our notice Helsinki Dispatch 266, dated October 24, 1952, reporting an attempt by [redacted], First Secretary of the Yugoslav Legation in Helsinki, to secure information concerning American views on the XIX Congress of the Communist Party. The tactics used remind us of [redacted]; also, the subject of DJILAS's interest ties the matter in with [redacted]. Just in case you have not seen the dispatch we are enclosing a copy for you. (We wonder whether the real intent of [redacted] was not to feed the American source material back to us in Belgrade!) The expression "beguar with a club" might well be used in describing certain of our exchanges here in Belgrade!
