The press abhorrence last night was that if you went to Dwayne's reception for your speech would be great, & w/ that may would be great. They asked about your mood & were you trying to separate yourself. I said I felt you would feel w/ yourself. Biden said he asked Colby if he could change associations or plans for the said no. Colby was go.

P. Deyell. It's a matter of who & when. I want to go into a country.

Bobbit I insure in to be a terminal surviving about our F.D.

K. I have thinking after last night, I don't have to give major speech each time. Just talk for a couple minutes.

P. That's right - The night is you saying it. The thrust is we have to be strong >

K. We can take sections from your speech & present it. The people last night think within year there will be enormous backlash.

This city is really the reason because of Westport's Osborn that your speech was great & a janitor was one of most courageous things you have done.

The press is out of the back of a country.

P Haven't heard any thing from Breukner

K Hamilton said he would introduce something
I told Janice he had to talk to me as an American
what is in it for US.

I have done something again I would like to
protect about. I told Allan about your talk
w/ Schmidt to show them a concern about
Portugal. Don't let in F graphs. I told Allan
without them going to Bureau to extract. Some. They (E)
in doing it this way make it look as if they
are going behind our backs.

E is afraid of an attack. I think we should tell
them if it happens we will formally characterize.

P. Should we tell C I that?

K. When Allan is here.

(Schedule talks)

3 out of 5 speeches now on F.D. would be good.

Rallying the people should be the theme. We
should stress a last part of speech, but not
avoid the other.

P. Is the VP going to go

K. He doesn't want to
