**ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS**

On November 8, 1968, Supervisor Glenn Harter of the San Francisco Office called. He advised that SF 3165-PSI, while in the New Orleans area, had taken some movie film of Lee Harvey Oswald passing out leaflets for the Fair Play for Cuba Committee. The informant's father, who resides in New Orleans, was contacted by two male individuals who represented themselves as being with the International World Trade Center and who said they were interested in contacting the informant in order to obtain the film he had for District Attorney James Garrison. According to Harter, the informant was inclined to make this film available to Garrison, but was first checking with the Bureau.

Harter was instructed to advise the informant that it was solely his decision whether he made the film available to Garrison or not and that the Bureau could not counsel him. Harter stated that if the informant complied with the request, he would furnish a copy of the film he had to Garrison and would retain the original film.

It was pointed out to Harter that the informant had originally taken this film in behalf of television station WSDV in New Orleans and that the informant might want to consider whether the station had any proprietary right in the film. It will be noted that the prints from the film have appeared in the Warren Commission Report and, therefore, the pictures are in the public realm.
