The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular mechanical components and bolts. The lighting is dramatic, with the blue glow contrasting against the dark background.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

ADMINISTRATIVE DATA

The pretext used by SA DAVID J. REID in contacting families by the name of PERRY listed in the El Paso Telephone Directory was as follows: SA REID, without identifying himself, asked to speak to EARL PERRY, it being determined in each case, that no EARL PERRY resided at the address in question and that no one by the name of EARL PERRY was known to the person answering the telephone.

No leads are being set out in this report in view
of the fact that all leads have been previously set out by teletype.
