The Bureau's attention is called to the fact that by Bureau letter dated September 10, 1964, only three photographic copies of Exhibit D-251 were forwarded to Dallas, with instructions to be handled as exhibits had been handled previously. In view of the fact that only three copies were furnished Dallas rather than the usual four, Dallas is retaining one copy in its files and the two enclosed herewith are being considered as copies for the President's Commission or its designated representative.

The Bureau may desire to remove the enclosure page of this report if it is disseminated to agencies other than the President's Commission or its designated representative.
