MEMORANDUM

SSCI BOX # 265-15

10091

TO: Paul Wallach
FROM: Dan Dwyer and Ed Greissing
DATE: November 14, 1975
RE: Review of Oswald 201 at CIA, November 3, 1975

Greissing and Dwyer returned to the CIA to review the Oswald 201 under the agreement set forth in the meeting of 1/28/75 between Mr. George Kalaris and Mr. Wall of the CI staff and members of the SSCI.

1. Mr. Wall outlined some security measures which Dwyer and Greissing agreed to comply with. First, any notes taken by members of the SSCI will be photocopied at the end of each session's review. Second, briefcases will remain in the custody of the CI office while documents are being reviewed.

2. Greissing and Dwyer were introduced to ~~Mr. Nischer~~ ~~Mr. Nischer~~ (phonetic). Mr. Wall said that ~~Mr. Nischer~~ would answer any substantive questions about the documents and the cryptograms used therein. (A)

3. Mr. Wall explained that some of the documents now filed in the Oswald 201 were not filed there at the time of the President's assassination. Some were located in file 200 (miscellaneous international file); others in file 100 (miscellaneous domestic file); others in the WH Division files (those generated by the Mexico City station); and, others in the files reserved for documents with sensitivity indicators.
