OUTSIDE CONTACT REPORTDATE 2/24/78 TIME 11:20a.m.

I. Identifying Information:

Name Russ Holmes Telephone 351-5084Address CIA - LangleyType of Contact: Telephone
 Person

II. Summary of Contact:

I inquired as to the availability of the remainder of the previously denied FOIA documents, which were supposed to have been available by 2/7/78. Holmes explained that they are not yet available since about 2/3 of the documents have to be obtained from an office other than his.

I also asked him if we could locate a 1960 State Dept. letter to the CIA re defectors and then read the list to me. He located the document, but told me that he couldn't read the names over the phone because the document is classified.

III. Recommended Follow-up (if any):

At some point, could we get a clarification re what info from CIA can be transmitted by phone or in writing in light of the recent secrecy agreement? It makes it difficult to make requests if we can't take names out & there appears to be some difference of opinion w/in the Agency on this point.
