C. Silvia Duran

~~As Redacted~~

When President John F. Kennedy was assassinated on November 22, 1963, the United States investigative agencies--FBI, CIA, Secret Service, etc.--were asked to investigate the assassination. When the Central Intelligence Agency Mexico City Station <sup>34</sup> ~~discovered~~ <sup>Remembered</sup> that Lee Harvey Oswald had visited Mexico City during late September and early October, it reviewed the electronic surveillance files and found evidence of phone calls to the Soviet Embassy made September 27th, September 28th, and October 1st, that could have been made by Oswald. <sup>685</sup>

ic surveillance files also produced <sup>TELE</sup> phone calls on September 27, 1963 between the Russian Consul and Silvia Duran, a secretary at the Cuban Consulate, where Oswald <sup>WAS</sup> ~~apparently~~ <sup>x686</sup> been discussed.

In addition, the Mexico City Sta-

tion found a September 28, 1963 phone call from Silvia Duran to the Soviet Consulate, where Silvia Duran stated that there was an American citizen at the Cuban Consulate who had previously visited the Soviet Consulate. <sup>687</sup>

A final phone

call was made on October <sup>1</sup>/<sub>8</sub>, 1963 where the "alleged" Oswald identified himself was also found. <sup>688</sup>

ON NOVEMBER 23, 1963

the Mexico City Station determined that it would request the Mexican government--with whom it had a good relationship--to arrest Silvia Duran (as Silvia Duran was a Mexican citizen, she did not have diplomatic immunity) because she might shed some light on the circumstances surrounding the assassination.

The Mexico City Station sent a note to the gubernacion head, Luis Echevarria, with Silvia Duran's address, her mother's address, her brother's address, her license plate number, her home phone number, her place of work and a request that she be arrested immediately. <sup>689</sup>

The Mexico City Station also suggested that Duran be held incommunicado until she could be questioned on the matter. <sup>\* 690</sup>

The Mexico City Station did not receive prior authorization from CIA Headquarters to request the arrest of Silvia Duran by Mexican authorities. <sup>611 \*</sup> ~~( )~~ Headquarters feared that ~~( )~~ a request <sup>TO ARREST MS. DURAN</sup> would jeopardize the clandestine relationship between certain Mexican government officials <sup>AND</sup> the CIA if it <sup>was</sup> disclosed that Americans were behind Duran's arrest. <sup>\* (Note written 612)</sup>

John Scelso  
Jack Whitten, Chief of THE MEXICO BRANCH Western Hemisphere/3, stationed @

CIA Headquarters, telephoned Winston Scott, the  
at Langley Headquarters, Mexico Chief of Station, requesting that Silvia Duran  
not be arrested. <sup>\* 693</sup> ~~(Ibid)~~ Scelso Whitten that he  
could not rescind the request, and that Headquarters should  
already have received a cable stating that Silvia Duran  
had been arrested. <sup>+ 694</sup> ~~(Ibid)~~ After Winston Scott's con-  
versation with John Scelso Jack Whitten, Scott called Luis Echevarria  
and stated that the Mexico City Station desired that all  
information received from Duran be forwarded immediately  
to the Mexico City Station, and that her arrest and state-  
ments not be communicated to any leftist groups. <sup>695 +</sup>

On November 27, 1963, the Mexican government for-  
warded to the Mexico City Station a copy of Silvia Du-  
ran's ten-page signed statement. <sup>696 \*</sup> ~~(Ibid)~~

When she became aware that the assassin was Lee Harvey Oswald, she ascertained that it was the same man who approximately two months prior had been to the Cuban Consulate to solicit an intransit visa to Russia. Having taken his name from the special documentation he presented she knew that he was married to a Russian woman and belonged to the "Fair Play for Cuban Committee." She checked the data in the Consulate archives and became certain that it was the same individual who was blonde, short, dressed unelegantly and whose face turned red when angry. The Consul had denied the visa because to obtain an intransit visa from the Cuban government, it was imperative that he previously obtain a visa from the Soviet Consulate. Since obtaining a visa from the Soviets took four months and Oswald's Mexican visa expired soon, Oswald became excited and Duran had to call the Consul who had an argument with him. The only aid she could give Oswald was advising that he see the Soviet Consul, and calling the person in charge of that office. The Soviet official told her that they would have to consult Moscow which would take four months. That afternoon, Oswald returned to the Cuban Consulate and Silvia Duran confirmed that he could get a Cuban visa only after he

received a Russian visa. She gave Oswald her name and business phone number but never gave him her address because she had no reason to give it to him. She knew that phoning the Soviet Consulate was not one of her duties and that if she did so she did it only to help Oswald. She gave Oswald her business phone number only because he would have to call subsequently to check whether he had obtained a visa. He never called
