Reurairtel 8/4/64.

As the Bureau noted in reairtel, Miami has interviewed OSCAR FERNANDEZ VEIGA; ELISEO GOMEZ FERNANDEZ, of the same company, has been interviewed and TEOFILO BABUN SELMAN has been interviewed and reinterviewed. Each person denied knowledge of the existence of any such plan as the above and specifically denied being a party to any such plan, or even having discussed any specific sum of money.

All of the above were, of course, advised of their right to refuse to answer any question which they felt might incriminate them; each was also requested not to lie, but to either answer truthfully or refuse to answer at all. Apparently each one lied, and gave every appearance of having agreed beforehand to deny knowledge of any such plot, as BABUN and one of his associates were interviewed so closely together as not to allow time for them to confer and agree upon what should be said, between interviews.

Apparently also the plan is very nebulous and indefinite, but nevertheless the persons interviewed must have discussed such a plan to some extent. There is a possibility they may have all been coached by CIA to deny

knowledge of any such plot, since one of the above is ~~_____~~, and he denied knowledge of any such plot. (S)

In view of the above denials, it is difficult to see how any useful purpose could possibly be served by conducting further interviews, and it is recommended that none of the persons be reinterviewed, and ~~_____~~ be ignored. It is not felt that further investigation is warranted in this matter. (S)

On 8/13/64, BYRON CAMERON was interviewed at Ft. Lauderdale, Fla., with following results:

BYRON RIGGS CAMERON was born Elizabeth, N. J., 5/22/16; he is married and has two children, ages 23 and 17. He is President of Caribe Trading Co., Ltd.; H. F. JENNE is Secretary-Treasurer, and interview of JENNE already reported to Bureau.

CAMERON denied any knowledge of any plot to assassinate FIDEL CASTRO or any other government leaders of Cuba; he stated all of his warehousemen and longshoremen are Cuban, all are suffering because of FIDEL CASTRO and consequently all are vehemently anti-CASTRO, and he is never around them without some of them mentioning how much better the world would be if someone would kill FIDEL CASTRO and his brother, RAUL CASTRO.

He denied knowing anyone in the Mafia or "Cosa Nostra;" he said he could not understand why BABUN would have to approach JOSE "PEPIN" BOSCH, JULIO LOBO or anyone else to raise one hundred or one hundred fifty thousand dollars; that in his opinion, this would be "chicken feed to BABUN, who could raise a million" in twenty four hours if he needed it.

LHM follows.
