Addendum to Comments on Hoch Memorandum Regarding
CIA and the Warren Commission Investigation

The following addendum to our comments on the Hoch memorandum is keyed to the page in Mr. Hoch's memorandum on which the substance with which it deals appears.

Page 24:

The files of appropriate components of the Directorate of Operations have been checked and show no record of any CIA contact with an anti-Castro group in Dallas. No Cuban organization is listed in the 1963 Dallas telephone directory. Dallas city map and 1963 criss-cross directory reveal no street named Harlendale. There is no Hollandale Street in Dallas. However, there is a Hollandale Lane in Farmers Branch, Texas -- a suburb of Dallas. Numbers on Hollandale Lane run from 2800 to 3028. There is no 3126. In 1963, one Lloyd Humphreys resided at 3028 Hollandale Lane, the last house on the street. CIA has no record on Lloyd Humphreys.
