RE: IVAN VIDAL SANTIAGO; 10/22/94 SP8 MAC/KFA
ROY EMORY HARGRAVES; JFK TASK FORCE
GERALD PATRICK HEMMING
INTERNAL SECURITY - CUBA

It is noted that ROY EMORY HARGRAVES, an American adventurer and mercenary, in July, 1970 advised he was involved in a plan along with Miami Cuban exile IVAN VIDAL SANTIAGO to effect warfare between the United States and Cuba. The plan consisted of attempting to have defecting Cuban military personnel fire missiles against the U. S. Navy Base, Guantanamo, Cuba, thus projecting the United States into a military takeover of Cuba. HARGRAVES said he was closely associated in this plan with GERALD PATRICK HEMMING, another American adventurer and mercenary, and a long time friend and associate of IVAN VIDAL SANTIAGO.

On December 23, 1970, Detective VINCENT OLLER, Dade County, Florida Department of Public Safety, Miami, Florida, advised that he had been notified by the U. S. Coast Guard and U. S. Customs Agency Service, Miami, Florida, that VIDAL, HEMMING, and HARGRAVES were involved in a plan for military operations against Cuba.

OLLER said that these three individuals are well known in the Miami area, their credibility is seriously doubted, and because of this, the above Federal law enforcement agencies have discounted their claims and turned the matter over to local authorities.

RE: IVAN VIDAL SANTIAGO

OLLER said he interviewed HEMMING and HARGRAVES and found their claims highly unlikely in that they do not possess the knowledge, money, equipment, or personnel necessary for such an ambitious project. OLLER stated that they devised an unworkable scheme and then unsuccessfully contacted different U. S. Government agencies to obtain backing and support.

OLLER stated their scheme had been discontinued, never had any potential for success, and it would be a matter of time until they came up with some other equally proposed unrealistic venture.

MM T-1, who is a close friend and associate of VIDAL, HARGRAVES, and HEMMING, in February, 1971, advised that they have completely discontinued their plans and at the present time are inactive in Cuban revolutionary matters. HARGRAVES continues to claim he has a back ailment and cannot work as a construction laborer. HEMMING is now associated with Captain (First Name Unknown) MILTON of Miami in a business of delivering commercial type fishing boats from Norfolk, Virginia to Miami, Florida. They also plan to deliver some of these boats to Nicaragua.

MM T-1 stated that VIDAL continues to live in the Cuban exile colony in Miami, is considered inactive, and is not significant in Cuban exile political matters.
