RE: MOVIMIENTO DEMOCRATA CRISTIANO  
(MDC)(CHRISTIAN DEMOCRATIC MOVEMENT)

VEGA advised that DAVIS was named MDC delegate in New Orleans, Louisiana for the purpose of distributing anti-communist propaganda and the collection of funds for the organization. The MDC Headquarters in Miami has not heard from DAVIS in over eight months, and does not know if he is still working for the MDC.

VEGA explained that DAVIS does not participate in the military action group of the MDC, and no way represents it. VEGA explained that the MDC does not have any aircraft, none have been offered to the organization, and the organization in no way has made any plans to conduct bombing raids against the oil refineries in Havana, Cuba. VEGA said that such operations are prohibitively costly and extremely difficult to carry out because of Federal law enforcement in South Florida.

MM T-1 has been active in Cuban revolutionary activities for the past seven years, and is closely associated with the military operations of the MDC. MM T-1, on June 26, 1964, advised that at the present time BATISTA FALLA is outside the United States with two boats, possibly conducting some military operations against Cuba, and that his whereabouts is unknown.

MM T-1 stated that because of recent raids by local police and United States Customs Agents against the MDC, the organization established a secret military headquarters at 837 Southwest 29th Avenue. [ANGEL VEGA resides there with five or six other military action group members and a quantity of arms and ammunition are stored at this residence.] (S)(u)

On June 30, 1964, MM T-1 advised that VEGA operates a Sonar 40 Transceiver (transmitter-receiver radio) at the (S)(u)
