PCI SUE YOUNG is a high-priced Hollywood call girl and quite incidentally a close friend of the notorious private detective FRED OTASH, a man who stands convicted of horse race fixing.

CALIF

Yesterday SUE told SA's she had been contacted by OTASH the previous evening. He wanted information as to her possibly participating in sex parties involving PETER LAWFORD, FRANK SINATRA, SAMMY DAVIS, Jr. and Senator JOHN KENNEDY.

SUE said she told OTASH she has no knowledge of such activities involving these men, and to this OTASH responded with a request that she name any girls who might have been used at parties with them.

SUE said she is unaware of any indiscretions or girls involved with the four men specified by OTASH, and she told him so.

Yesterday the same SA's had occasion to talk to OTASH at his office and during their presence the private detective inadvertently - or his actions indicated inadvertence - indicated that some operator, unnamed and unidentified, is attempting to spy on Senator KENNEDY's hotel room. OTASH indicated that Confidential magazine is ~~quoted~~ "looking for dirt on KENNEDY or LAWFORD" for use in a planned series of articles for publication between now and the election in November.

Last evening, again according to SUE YOUNG, OTASH phoned her wanting to know if she could arrange an introduction to Senator KENNEDY. He suggested that he would like to equip her with a recording device for taking down any "indiscreet statements" the Senator might make. SUE refused the invitation.
