Re: LARRY J. LABORDE
INTERNAL SECURITY - CUBA

MM T-1, who has been active in Cuban revolutionary activities for the past five years and who has furnished reliable information in the past, on February 20, 1963, advised that LARRY J. LABORDE has not been seen in the Cuban colony in Miami, Florida, and has not had any known contacts with persons who are active in Cuban revolutionary activities for the past three months. (S) (u)

MM T-1 stated the schooner "Elsie M. Reichert" continues to be docked in the Miami River near S. W. 4th Avenue and S. W. 4th Street in Miami. MM T-1 advised the schooner does not appear to be in any condition to leave this dock in the near future. He explained that LABORDE previously had an interest in this boat, his plans did not materialize, and apparently has no further interest in it. (S) (u)

Sources familiar with revolutionary activities who have furnished reliable information in the past, advised, in January, 1963, they had no further information concerning LABORDE. (u)
