The Bureau's attention was called to New York letter, 10/29/62, where the NYO advised that a letter was anonymously mailed by the NYO to MARVIN MARKMAN on 10/25/62, which pointed out to MARKMAN substantially what MARKMAN is now complaining about. The NYO believes that its letter set the seeds of thought in MARKMAN's mind and these thoughts have now come out into open dissatisfaction on the part of MARKMAN.

NY [2124-S] advised that there is to be a dinner in April or May, 1964, to raise funds for L'Unita. NY [2124-S] will play a key role in the planning and administering of the dinner which is the main fund-raising affair of the year. (C)(u)

Among other duties, NY [2124-S] prepares and sends out part of the hundreds of invitations to this affair. NY [2124-S] said that invitations are sent to people out of town, even though it is known that they will not attend, but they do send in a contribution. (C)(u)

From the NYO's knowledge of past events, the NYO believes that NY [2124-S] would be in the position to discreetly frustrate L'Unita's attempts to make money out of this affair. NY [2124-S] has advised that he mails a great part of the invitations by himself. The NYO believes that if the invitations to persons out of town were never mailed, that source or income would be cut off. If they do not receive the invitation, the persons would never know that they had been invited. He will also fail to mail invitations to persons who are not very active throughout the year, again cutting down the contributions and attendance at the affair. (C)(u)

The Bureau by letter, 3/11/64, has approved this plan of the NYO.

[NY 388-S] (C)(u)

NY 388-S has been on vacation during the period. (C)(u)

At recent meetings of the Nat Richman Club of the Bronx CP, attempts were made by club leaders to discuss Viet Nam, Cyprus, Africa and the Soviet-Chinese dispute.

At that last club meeting, the informant made a strong protest that such discussions were a waste of time since the club could do little about such problems. He pointed out that there are many local problems right in Bronx County which the club members could help solve, problems such as discrimination, housing, education, etc., which deserve immediate attention. (S)(u)

The informant's remarks caused considerable argument and confusion, resulting in complete disruption of the meeting. (S)(u)
