SUBJECT: CUBAN MATTERS - COUNTER-INTELLIGENCE PROGRAM
IS-CUBA

ReBulet to NY dated 11/27/61, captioned "FAIR PLAY FOR CUBA COMMITTEE; RA-CUBA, IS-CUBA, IS-C, IS-SWP".

The NYO is in the process of preparing the proposed anonymous leaflet which will include criticism of RICHARD GIBSON and the FPCC leadership for discharging BERTA GREEN. The contents of the leaflet will follow the suggestions furnished by the Bureau in relet and will be forwarded upon completion for approval.

For the information of the Bureau, a pretext phone call by an agent of the NYO on 11/29/61 to RICHARD GIBSON, at FPCC headquarters, developed two interesting items of information.

1. The SWP is still cooperating with the FPCC even though GIBSON and FPCC officials discourage cooperation between the two organizations.

2. The FPCC appears to be prepared to attempt legal action if any of its members are interviewed by Bureau agents at their place of employment.

The following, which is an account of the mentioned pretext, bears out the above points:

GIBSON was contacted telephonically on the above date and the agent conducting the pretext indicated he was an FPCC member from the Brooklyn branch. He indicated he had just been contacted by the FBI and was both surprised and scared and wanted to know how to handle the situation. GIBSON replied, "They're all over the place. They have been stopping members on the streets, in hallways, and building lobbies". GIBSON indicated an FPCC lawyer is available to "protect" members regarding such contacts by the FBI.

the Movement's headquarters in NYC. He directed that all further activities of the Movement should be carried on clandestinely through the leaders of the Ramals of the Movement.

In conjunction with the proposed reorganization, NY 3042-S has been designated to screen all members to ascertain their true loyalty.

If the proposed reorganization is handled in the above manner, NY 3042-S will be in an excellent position to furnish identities of the "hard core" membership.

The NYO will remain alert to new approaches which might be utilized to limit the effectiveness of the Movement's reorganization under the above captioned program.
