On 12/4/63, SA W. HARLAN BROWN received, in person, a typewritten report, dated 11/26/63, from DL-6-S. This report has been serialized as 134-1A-801.

Informant determined that JOE LANDIN and AUGUSTIN ESTRADA had lunch together on 11/26/63. LANDIN told him that ALBERT GONZALEZ had called him. GONZALEZ is an ambitious, hard-driving opportunity. Both ESTRADA and LANDIN are familiar with his promotions. GONZALEZ wanted to know what LANDIN thought of the fact that JOE MOLINA, ex-GI Forum member chairman, had been questioned in regards to LEE OSWALD on the President's death. GONZALEZ recalled how conservative MOLINA is yet he was questioned. If JOE MOLINA had been questioned, GONZALEZ said, what could he and LANDIN expect since they were really outspoken (when they attended forum meetings). GONZALEZ thought that BILL LOWERY had given MOLINA's name to the FBI together with all of the forum members' names. He said he was going to Washington to see if he was on the subversive list. He was pretty sure that he could not get that information there. LANDIN recalled that GONZALEZ knew RUBY and that sometime ago (4 years ago) he (ALBERT GONZALEZ) had told LANDIN that RUBY was an ex-labor organizer and was "no good." GONZALEZ said he did know RUBY and had recently spoken to Mrs. GRANT, his sister at the Vegas Club. He is interested in buying the club.

Informant determined that ESTRADA warned LANDIN not to give too much of his time to him for he is known to twist things around and could be a dangerous character. He could be working for someone at that very moment, that is, as an informer. After all, he hadn't visited LANDIN in almost 3 years.

GONZALEZ also informed LANDIN that at a recent luncheon sponsored by the G. I. Forum in Dallas, BILL LOWERY had spoken to Dr. GARCIA and explained to him that his work as an agent did not reflect distrust on the present membership. In the past, he continued, there were some "Pinkos" in the forum.

Informant had no additional information.
