part in this election to insure the defeat of the right wing candidates who have always been vigorously opposed to the alleged Communist domination of the international offices of this union. [CGO-5097] pointed out that TOM KILLY, an organizer of the FE Union, was the power behind the throne and manipulated the defeat of the right wing candidates. (u)

[CGO-5097] stated that TONY MATUZAK, new Recording Secretary of this local, has admitted to him that he is a Communist. (u)

[Confidential Informant CGO-56] has advised that NICK PASQUA was a subscriber to the "Daily Worker" as of January 3, 1943. It is noted that PASQUA was an unsuccessful candidate for membership in the Grievance Committee on the left wing ticket. PAUL C. LINDSAY, who is now employed in the McCormick Plant, has been the subject of investigation by this office and has been reliably reported to be a member of the Workers Party. (u)

[Confidential Informant T-1] who is a colored employee in the McCormick Plant, advised that JOHN COOKE is chairman of the Grievance Committee of Local No. 108 and that he, COOKE, had requested informant to become a member of the Communist Party. [T-1] stated that he had also heard POPE HUFF, who was formerly a member of this local and who is an international representative of the FE Union, admit membership in the Communist Party. [T-1] stated that the Communists in Local No. 108 were recruiting members among the colored workers with a "no discrimination" sales talk. (u)

[On January 24, 1945, Confidential Informant T-2] who is also a colored employee in the McCormick Works Plant, advised that Communism has been growing rapidly in Local No. 108, especially among the negro members of the union. [T-2] stated that the Communists were organizing among the negroes on a "no discrimination platform. He stated that the negro workers were very much impressed with the Communist plan and feel convinced that they would be better off under Communism than under the present form of government. T-2 stated that the Communist sponsored group had taken over control of the Executive Board of this local at the elections held during December past. T-2 stated that CHARLES LASTER, who is the newly elected Sergeant-at-Arms of this local, has admitted to the informant that he is a Communist and frequently argues in behalf of Communist principles. (u)

[T-2] stated that CURTIS SASSER, who is colored, has also admitted membership in the Communist Political Association. (u)

According to [T-2] ANTHONY MATUZAK, newly elected Recording Secretary of the local, has admitted being a Communist to the informant. (u)
