located in Denver cohabiting with Mrs. LITTLE and Mrs. HARWELL, all of them would be arrested and charged with unlawful cohabitation.

Mr. GEER stated that both BRADING and PEREIRA reported to him that they are now dealing in oil leases and that they are associated in the oil business with ARTHUR LEWIS CLARK.

On August 19, 1952, Denver Informant T-1, of known reliability, reported that on August 7, 1952, at Cheyenne, Myoming, VICTOR E. PEREIRA had married Mrs. LEZ LITTLE of Dallas, Texas. T-1 stated that Mrs. LITTLE is the widow of the late D. A. LITTLE of Dallas, Texas, who was president of the Magnolia Oil Company and who was reported to have been worth several million dollars.

This informant further reported that VICTOR E. PEREIRA and EUGENE BRADING, in his opinion, are planning to use Mrs. LITTLE'S money for the purpose of contesting the twelve year conviction which they received in the United States District Court in El Paso, Texas in January, 1952, on charges of defrauding Mrs. GERTHUDE J. JOYCE out of \$48,000.

This informant further stated that he has heard through reliable sources that PEREIRA and BRADING are now associated with ARTHUR LEWIS-GLARK and SANUEL Sp. CARTIELD in wildcat oil drilling operations in the vicinity of New Castle, Myoming. Informant stated that CIARK is a well known gambler and confidence man, formerly of Wiami, Florida and Saratoga Springs, New York, and that it is his opinion that PERSIRE, BRADING and CIARK are planning to "beat MYS. LITTLE out of everything she has" by inducing her to invest in their alleged "oil business."

On November 11, 1951, Denver Informant I-1 reported that he was well acquainted with THEODOR SANDERSON, with alias TEDDY SANDERSON, of New York City, who represented himself as a clothing company executive but who, in fact, is a big time gambler. He stated that he is also well acquainted with ARTHUR LEWIS CLARK, also known as ARTIS-CLARK, of Miami, Florida, who is a friend of SANDERSON'S and who is a "high stakes" gambler and "dice man." He stated that CLARK spent most of his time in the Miami area, but occasionally comes to Denver, Colorado during the summer months. He stated that CLARK was at one time active in the operation of an establishment in Saratoga Springs, New York known as the Piping Rock Casino.

He stated that WILSON is now quite elderly and resides with his relatively young wife in an atmosphere of respectability. He stated that a few years ago wILSON was considered a big time operator among confidence men and he operated extensively around the United States, particularly in the vicinity of Miami, Florida. He stated that several years previously, WILSON had become involved in an altercation with ARTHUACHARK in Miami, Florida over a gambling proposition, as a result of which wILSON shot CLARK, seriously wounding him, after which wILSON made an extended trip to Europe to "cool off."

Deriver Informant T-2, of known reliability, reported on June 26, 1952, that he is well acquainted with ARTHUR LEGIS CLARK, known to him as a big time gambler who formerly operated in New York State and in Miami, Florida. He related that for the last four years he had been residing with his family in a residence owned by him at 211 west Rivo Alto Drive, Whani Beach, Florida.

He continued that this indictment is "a bum rap" and that he, through his attorneys, is presently testing the validity of the indictment. this individual.) He stated that TURKER makes his home in the Kiami area, but in the summer of 1951 made a short trip to Denver with CLARK.

aith reference to the Golden Shores Casimo operation, CLARK stated that it has often been reported that he "beat" HARM SINCLAIR, the multi-millionaire oil man, for almost a million collars in gambling operations at the Golden Shores. He acknowledged that he did win huge sums of money from SINCLAIR at this establishment, but explained that the amount has "undoubtedly been exaggerated" and that as a matter of fact he had to spread his windless with several other teople and did not receive the active amount hisself. He convented, however, that he will get a substantial rake off-but of the money won from SINCLAIR.

In connection with other gambling operations in which he has been involved, CLARK volunteered information that during the year 1942 at Miami Beach, Florida, he had a considerable interest in the operation of the Brook Club described by him as a beach resort. He acknowledged that this establishment was principally a gambling casimo.

CLARK readily admitted that he has a wide acquaintance with gamblers, hoodluns, confidence men and criminals of all types throughout the United States, including JAES STARES, FEI #85634, well known confidence man, and HOBERT KOHIER of Cincinnati, Chio, described by CLARK as an old time confidence man who has now retired due to ill health.

CLARK stated that during the fall of 1951 in Denver, Colorado, he became adjusted with EUGHES SALIDONE and CLYDE SLALIDONE and that he was introduced to these individuals at the Brown Falace Hotel by JOE ALBONETO, an oil man from New Castle, symming, with whom he has been acquainted for a number of years. He stated that also present when he was introduced to the SLALIDONES was I. V. SIEMEL, also known as LOC SIEMEL, who is a well known gambler and oil man of Colorado Springs, Colorado. He stated that also present when he was introduced to the SLALIDONES was his partner, Suc GARFIELD.

He commented that the SAMMONES appeared to be "big time operators" in this area and wined and dired him on an elaborate scale. He stated that they apparently ment to great lengths to please him by furnishing him with plenty of food, liquor and women.

CLARK commented that he had no information as to what disposition would be made of his case at Saratoga Springs, New Mork, but that he expected to be released on bond within a short time, after which he would return to Penver, where he would continue his oil operations with SAM CARFIELD.

It is noted that at the time CIARK was taken into custody in Denver on June 27, 1952, he had in his possession \$11,70 in cash, and just before he was taken to the Police Building, the officers arresting him observed that he handed a large roll of bills to his son, ARTHUR LEGIS CLARK, JR., the amount of which was undetermined.

Denver Informant f-1 informed on August 19, 1952, that ARTE CLARK had returned to Denver about two weeks previously and that he had heard that since that time CLARK had been spending most of his time in the New Castle, wyoning area where he was in frequent touch with DE ALKONSTTO, with whom CLARK has been discussing soil deals." He stated that at that time a deal was made in which the "cruze oil lease" near New Castle, wyoming changed hands. He stated that at that time the SMALDONE brothers counted out \$190,000 in cash in payment for this

lease. He stated that for some reason unknown to him, although the SUALDONES put up the cash for this lease, the same was recorded in the name of SAM GARFIELD, and that the name of the SWALDONES does not appear in connection with the transaction.

With further reference to telephone contacts made from the Brown Palace Hotel suite of ARTHUR LEWIS CLARK in Denver, Colorado during April, 1952, Denver Informant T-3 reported that several calls were made from GLARK'S suite to telephone number WEstport 095h, Kansas City, Missouri.

Information received from the Kansas City Office reflected that that telephone number was listed to MAI UABEN, 4138 Paseo, Kansas City, Missouri. UABEN has FBI #2151732. Kansas City reported that for many years JABEN has associated with the gambling element in Kansas City and was a known associate of the late CHARLES BINACCIO and CHARLES CARCOTTA, slain Kansas City underworld overlords.

It was reported that JAECN had been described as an intimate of the Italian underworld clique in Kansas City, and was reported to be a "cold blooded individual without a nerve in his body" who is often used by this clique as an enforcer of their will over enterprizes in which they desire to "muscle in."

T-3 further reported that in April, 1952, phone calls had been made from CLARK'S Brown Palace Hotel suite to telephone number FAirfax 2119 in Kansas City, Kansas.

The Kansas City Office reported that this number is listed to the T&K Specialty Company located in the basement of the Commerce National Bank Building, 6th and Minnesota, Kansas City, Kansas. It was reported that this company is operated by WALTER TAYLOR and LEO MckEMEMY, who represent that they are "manufacturers of clubroom supplies." It was stated that the clubroom supplies handled by this company include dice, both crooked and straight, and that they are one of the largest manufacturers of this type merchandise in the country, having customers in all forty—eight states and many foreign countries.

T-3 stated that another contact made from CLARK'S suite at the Bro-m Palace in April, 1952, was telephone number Victor Ohio, Kansas City, Missouri.

87-15374.82

1363

The Kansas City Office reported that this number is the unlisted telephone of Mrs. HAZEL CONCELOSE, 1808 Pendleton, Kansas City, Missouri. HAZEL CONCELOSE was described as the wife of LOUIS CONCELOSE, with alias LOUIS MALLO, FEI #703199. LOUIS CONCELOSE was described as a minor hoodlum and petty thief who was sentenced to serve a twenty year sentence in the Missouri State Penitentiary in 1934 for kidnaping and armed robbery. He had previously served time for liquor law violations. It was reported that since his release from the Missouri State Penitentiary in 1942, he has not been convicted of any felonies and has been employed as a truck driver and huckster. He is at present reported to be a midget racing car driver of some promimence, but as far as could be ascertained, does not have any stature in the Kansas City underworld.

No descriptive data is presently available to the Denver Office concerning SAMMEL S. GARFIELD.
