Denver, Chicago, Miami, Dallas, and New York

On 11/28/53 El Paso advised that AUSA HOLVEY WILLIAMS, El Paso, had received confidential information that the U. S. Supreme Court would officially affirm the conviction of subjects BRADING and PEREIRA on 11/30/53, and Mr. WILLIAMS was desirous of having the Bureau effect the immediate arrests of the subjects after the ruling was officially handed down. The Bureau was requested to advise as to what action is to be taken.

On 11/28/53 the Bureau advised that previous discussions with the Department reflect that as the conviction of the subjects was affirmed by the Supreme Court, the Clerk of the Court would forward to the Circuit Court of Appeals in New Orleans the ruling of the Supreme Court. Thereafter, the Circuit Court would return the ruling to the Trial Court in the proper district.

The Bureau advised that the Department is completely conversant with details of the case and that no request for Bureau action had been made. Bureau called attention to the fact that the attorney for subjects could file additional motions in this case and that subjects are free on bond; therefore, subject to jurisdiction of both Circuit Court and Trial Court. The Bureau advised no surveillance should be conducted, but alert informants should report any indication of subjects to leave the Country.

On 11/30/53 the Bureau advised that the facts of this case were discussed with the District Attorney, which advised that until the mandate of the Supreme Court becomes the order of the District Court and subjects fail to appear in accordance with orders of the United States Attorney in the District Court, no action can be taken to cause their apprehension. Bureau further advised that at such time as the mandate becomes the order of the District Court and each request is made for apprehension of subjects by the Bureau, full justification should be submitted by the El Paso Office to support such action.

Los Angeles 3626-C advised that she was leaving Los Angeles for Elberon, New Jersey, on 12/17/53, and would not be able to furnish information in this case until her return on or about 1/15/53.

The list of vending machine companies furnished by Lieutenant PHILLIPS, Los Angeles Police Department, is being placed in the Los Angeles file.
