

This document is made available through the declassification efforts
and research of John Greenewald, Jr., creator of:

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.
