"MINUTEMEN"

DECLASSIFIED BY SP8 BTQ/CW
ON 12/15/83 21,320

On January 5, 1965, Penn Jones, Publisher, "Midlothian" Mirror", Midlothian, Texas, advised Delbert Ray resides at Route 3, Midlothian, on a farm known as "White Gate Farm", which Ray is buying on time. Ray is about forty years of age, married and has two daughters. He is employed in Dallas, but his employer is unknown.

In the past, Ray was very active in the John Birch Society which held meetings at Midland in 1961 and 1962. He was then a close associate of Edgar Wesley Seay, another John Birch Society member, who was employed by General Edwin Walker. Jones stated that at 2:34 a.m., on April 30, 1962, a fire alarm was sounded on an incendiary fire in the office of the "Midlothian Mirror". This fire was caused by a gallon can of gasoline or some other volatile fluid, with a paper fuse, which had been thrown through the front door. Although no arrests were made, police felt certain that Seay either set the fire or caused it to be set.

On January 14, 1965, DL T-1 advised there had been no recent meetings of the "Minutemen" group in the Fort Worth area. An individual known as Ray, the proprietor of a ranch in the Venus-Midlothian, Texas, area, has been responsible for distribution of "On Target", the national "Minutemen" publication to various members of the Fort Worth group.

On January 21, 1965, DL T-1, at Fort Worth, Texas, advised that there had been no recent meetings held and none were planned for the immediate future for the "Minutemen" group in Fort Worth. (First Name Unknown) Hudson, believed to be a Sergeant in the National Guard, who either owns or works on a ranch in the area of Bowie, Texas, has recently been seen in the company of several members of the local group. While Hudson is not known to be a member at present of this group, it is possible he may be a target for recruitment.

"MINUTEMEN"

The immediate goal of the local group is to locate and obtain as many semiautomatic weapons as possible. At present, there appears to be no central storage area for weapons or ammunition obtained.
