**"MINUTEMEN"**

This memorandum is supplemental to previous memoranda dated January 22, 1965, and February 17, 1965.

DL T-1 advised on March 16, 1965, there has been little recent activity of the group in Fort Worth, Texas, aligned similarly to the "Minutemen" organization. The group's plans to burglarize a local National Guard Armory have not materialized, as recently the group has noticed further security precautions, including night lighting, are being taken at armories.

"Ray", who appears to be the highest group official in the area, is speaking more of retired General Edwin Walker's guidance and leadership of the organization. He speaks in near reverent terms concerning Walker. DL T-1 advised that "Ray" was arranging a meeting with General Walker for him, but after further consideration, decided it would not be appropriate at this time, because Walker becomes suspicious of those who too quickly attempt to meet him. "Ray" advised that it would be wiser to wait until the General requests to see him or until he had been in the organization a longer period of time.

DL T-1 further stated that William Seals of Houston, Texas, formerly of Fort Worth, has not been recently in contact with the group in Fort Worth.

DL T-1 advised he had no information that the group had yet established a local storehouse or arsenal for weapons and that the membership and leaders in the local group have remained unchanged.
