1. The listings which follow and all biographical data were supplied by source upon his own initiative and are transmitted (in translation) exactly as received:

A. Dr. Arturo ROMERO - Salvadorean nationality. He studied in Russia and his first wife was Russian; is now married to Coralia, of Salvadorean nationality. He has a daughter in France. He is 37 years of age, has black hair and eyes, and dark complexion. He has resided in Costa Rica since 1943. He and his wife are both Communists, having had a close friendship with Pilar BOLAÑOS and other Costa Rican Communist leaders. His chief job is to serve as liaison for exterior correspondence of Communist elements who never use the mails. Dr. ROMERO was the leader of the revolutionary group against ex-President MARTINEZ, anti-Communist dictator.

B. Pilar Nicolasa Bolaños de CARBALLO - teacher; born 27 May 1923 in El Salvador; educated in El Salvador and holds degree of Professor of Primary Instruction obtained in the normal school of that country.

C. Marcos CASTRO Morales - Salvadorean nationality; Doctor of Laws and Philosophy; apparently 52-54 years of age; has benevolent expression but in reality is a dangerous person; resides in Guadalupe, Costa Rica; participated in the campaign against MARTINEZ and in the massacre of more than twenty thousand persons. Fled to Honduras, returning to his country to attempt the life of Osmin AGUIRRE. Received aid from the Guatemalan Government; was on the side of the Picado Government in the recent revolution in Costa Rica. Lame in the left knee.
