The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a bright blue glow from within. The door has several large, circular mechanical components and bolts. The lighting is dramatic, with the blue glow contrasting against the dark background.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.

SUBJECT: Lucien Conein

Attached hereto is dispatch number WFP-A-2933 which gives data available on subject in the police files of the City of Lyon in France.

Inasmuch as the acts mentioned in this dispatch took place during the German occupation of France, the fact that subject has a police record is more to his credit than his discredit.

It is felt that these documents should be made a permanent part of subject's security file since the reference police record might in an unrelated context be taken as derogatory.
