WH/COG No. 156-72

MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Lump Sum Payment to Valuable Cuban  
Agent Gustavo VILLOLDO Sampera

REFERENCE: Memorandum for Executive Director-Comptroller  
Subject: MEMUTUAL/Reallocation of Non-Staff  
Retirement Fund dated 29 December 1971

1. This memorandum contains a recommendation for your approval in paragraph 5 below.

2. Mr. Gustavo VILLOLDO Sampera, a 37 year old Cuban national, is from a prominent and respected Cuban family. Educated in the United States as a young boy, he later studied pre-law at Havana University for two years. Upon the death of his father in 1959 and confiscation of the family business, the Villoldo Motor Company, Mr. VILLOLDO returned to the U.S. as a political exile. He resides in Florida with his wife and seven children who range in age from 10 to 17.

3. Since his arrival in the U.S. in 1959 Mr. VILLOLDO has been a valuable asset of both Station JMWAVE and Station WH/Miami. He was Chief of the Intelligence Service of Brigade 2506 in Guatemala in 1960 and 1961. Later he worked as a spotter of Cubans for recruitment, and as principal agent for PM teams which included training and planning infiltration operations and as infiltration team leader. By far his most notable and important assignment was foreign technical adviser to the Bolivian Government in mid-1967 working with the intelligence unit of the Second Ranger Battalion which located and

destroyed Che Guevara's guerrilla band in Bolivia. As the result of extensive Bolivian and international photographic press coverage of this event, the life of Mr. VILLOLDO and his family has been and continues to be in considerable jeopardy. As an example of the constant fear in which he must live, he learned in August 1969 that he was the target of an assassination attempt directed by the Cuban Government to be carried out by the Cuban U.N. Mission. Fortunately the Cuban recruited to perform the assassination was a former JMWAVE agent who alerted VILLOLDO and cooperated with the FBI.

4. Since his return from Bolivia Mr. VILLOLDO has trained the Ecuadorean Intelligence Service for the Agency and has been a penetration into the militant activities of the Cuban exile organizations in the Miami area, in which capacity he has provided much valuable information. The time has come, however, that his services in this capacity are no longer required and there is no place in the Agency for his other special talents. By mutual agreement and understanding, therefore, he has made a concerted effort for some time to pursue all available leads with his exile friends in an effort to re-establish himself in a sound business. In this connection he has been given the opportunity to invest in real estate and the construction of condominium units in the Miami area with a prominent Miami Cuban builder who is a reliable friend. Mr. VILLOLDO needs \$30,000 as his share of the initial capital investment. Current plans are to carry him on the payroll for a maximum of six months at which time he should receive an income from this venture.

5. In view of the most unusual circumstances of this case, and in accordance with the referent memorandum, it is requested that the sum of \$30,000 be made available to Mr. VILLOLDO from the Special Annuity Fund to aid him in establishing himself on a sound business basis in the Miami area. For cover purposes a check will be issued to Mr. VILLOLDO from an ostensible interest-bearing account in an MUTUAL holding company in Nassau. The

source can be money from the successful family business which Mr. VILLOLDO was able to get out of Cuba prior to confiscation of the business by the Castro Government.

6. A quit claim will be obtained from Mr. VILLOLDO acknowledging receipt of the \$30,000 and including a statement that he will be off the Agency payroll at the end of the six month period.
