FROM: Fredrick C. Wickham, Jr.
Chief, External Support Group, IMS/DO

SUBJECT: Request to Conduct Search for JFK Assassination
Records

REFERENCE: CSI-0331/93, dated 25 October 1993, same subject

We did not locate new information responsive to your request. We limited our search to the electronic files based upon the fact that an extensive search of all DO holdings was done just one year ago that covered the same topic and time frame. Additionally, new information would have either been a cable and automatically captured or we would have processed other forms of information into the record system based upon the high profile of this issue.
