NEUTRALITY MATTERS

ReNOtel 8/1/63 in captioned matter.

Miami immediately advise results of interview of  
Miami PCI Michael McLaney, particularly whether he is related to  
William Julius McLaney. In view of Michael McLaney's reported  
interest in 6/15/63 plan to bomb Cuba, he might well have a connection  
with this case and may have influenced William McLaney to cooperate  
in captioned matter.

Miami also immediately interview Antonio Soto, Evelio  
Alpizar, Miguel Alvarez, Sam Benton and Jose de Jesus Basulto Leon  
who have been mentioned in previous Miami communications as possibly  
being involved in this matter, as well as any other suspects developed  
through investigation. Miami also interview Gonzalo Herrera, former  
Cuban airlines pilot and other logical former Cuban pilots who may  
have been approached to pilot planes in this matter. If not already  
done, all suspects connected with the June 15, 1963, attempt to bomb  
Cuba, which was handled by Customs, should be interviewed.
