Al tells of a <del>XXXXXX</del> wire on the way to King from "Jack" that says "If rumors I hear from creditable sources are correct, the decision has been made that special contingent of celebrities chartering planes for MARCH will not be allowed a single spokesman. All these personalities are making significant sacrifices to lend their tremendous prestige to our cause some are coming from Europe. I hope that we will not alienate them by failure to adequately acknowledge their interest in securing meaningful Civil Rights legislation. If my information is correct, I appeal to you to reconsider and allow them to have one spokesman of their selection to have a two or three minute statement and read all their names. I am aware that great responsibilities rest upon your shoulders and do not seek to add to them, however, I believe firmly that failure to follow this procedure would be both unwise and possibly quite harmful to the goal that we all seek." King says that was very good. King says that he told Al to have one of these Wires to come to him so "they" wouldn't think that King told Jack to do this. Jones says that he was able to get a five day extension on the book. King says that he wants every fact in the book checked out. Jones says that he sent a letter to King and in it he provided for an additional \$500 to be given to Al in addition to the \$500 he has already received. King says that he didn't receive the letter but he thinks that something can be arranged. Al asks what time and where the meeting (?) will be and King tells him that it will be at the Urban League at 2:00 (PM?), so the News paper people will be there. King says that he isn't going to the meeting. Al asks if Mr. Wilkins will have more time to speak and King says that as it stands now everybody will have the same amount of time to speak, King says all 9 or 10 chairman. Al says that a suggestion was made to him that one of the chairman could get a lot of good will if he got up and said that he was relinquishing his time to Dr. King. Jones adds that he doesn't know anyone that would have that statesmanship. Jones says that may-be Snick (ph) would to it and King says that Snick may be vetoed by his own organization. Wyatt says that Bayard says that everyone will have equal time and that King will be the last speaker and take the time he needs. King says that each will be allowed only five minutes. King asks what time Wyatt is leaving and W. says that he is making the 1:30 PM shuttle. King says that the City officials of Washington are saying that the people do not drive. King says that they want a fear (ph) of humanity at any cost, even if it <del>means</del> means paralyzing the entire city of Washington DC. King says that they should get the two stadiums parking lots and Wyatt says that they already have one. King says that they should encourage people to drive because they would loose to many folk that way. Wyatt says that they won't do that be to appear cooperative the just won't tell the people not to drive. Wyatt says that there is a rumor that restaurants will close up and King says that he thinks that they should encourage them to stay open. Wyatt asks how many spaces he should reserve at the Wilton and King says that he thinks that they should all stay there, so Wyatt should get at least 10 rooms. King says that he will keep their reservations at the Statler and the International for someone who comes at the last minute. Wyatt asks if King knows about a reception at the Dept. of Justice for all the Civil Rights leaders and the celebrities at 5 o'clock. King again says that the program be extended to 3 to 5 hours. King says that it should be from 2 to 5 and he says that <del>it</del> they should have only one negro woman to speak instead of four. King asks where Wyatt will be tomorrow and Wyatt says that he will be back in New York about 4:00 o'clock.</p>

4:49	PM	OG	<p>Mario Bianchi R-1204-24-26 MARTIN LUTHER KING placed a long distance call to MISS MARTHA COTTER (ph or CARTER?) at her place of employment in Washington, D. C., telephone number: 797-1484. She was not there but operator advised that she could be reached at 723-3167 (apparently her home).</p>
4:54	PM	OG	<p>Mario Bianchi W-4398-17 MARTIN LUTHER KING to MISS MARTHA COTTER (ph or CARTER?) at 723-3167, long distance in Washington, D. C. MARTIN asks why MARTHA is not at work today. MARTHA retorts that MARTIN LUTHER must be coming to town and remarks that MARTIN had to wait until the whole nation was coming to Washington before he could give MARTHA a call. MARTHA and MARTIN then squabble about whether MARTIN has tried to call MARTHA as she indicates she does not believe his claim that he did. MARTHA claims she has tried to get MARTIN and has not been able to catch up with him. MARTHA also claims that she has not been anywhere other than at home except between Saturday and early Sunday night. MARTHA then indicates that she is leaving town sometime late tonight and going home but that she will be back Sunday. But MARTHA says there will be a problem on Sunday when she gets back to town; that her little sister will be living with her for a week. MARTIN asks what the issue is and MARTHA replies that she just wants to know when she is going to be able to see him. MARTIN retorts that the issue is that MARTHA doesn't want to. MARTHA tells MARTIN to "go to h--l." She asks how MARTIN can forget about somebody for 3 months and then come back to life. MARTHA remarks, "You can't love me." MARTIN says it's not true; that it hasn't been 3 months. MARTHA retorts that it seems like 3 years. She says she wants MARTIN to know that. MARTIN says MARTHA is a little forgetful and asks what MARTHA has been doing. MARTHA replies that she has been doing nothing; that she has just been "going to work and firing (ph) folks". She asks what MARTIN has been doing besides press releases. MARTIN replies that he is working hard and mentions that he is writing a book. MARTHA then remarks that she passed a store downtown and that all that they had in the window was "The Strength To Love" by "Brother MARTIN LUTHER KING". She says somebody was talking to her about MARTIN LUTHER KING last night and she says she just smiled inwardly (ph) and said (to herself?): "Now that</p>

MARTHA then queries MARTIN: "Why you never call me, Babe (ph)?" MARTIN replies that he has and they then go into a controversial discussion again about whether or not MARTIN really did call MARTHA. MARTIN claims that the last time he called MARTHA was Monday evening from Philadelphia. MARTHA claims she was in "this apartment" at that time and got no call. MARTIN then asks MARTHA, "You gonna march with us next week?" MARTHA replies that MARTIN knows she is. MARTIN then comments that MARTHA will have to get off from work and asks if "they" will let her off. MARTHA retorts that "there ain't no let about it"; that she is "taking off". She says her boss is out of town. MARTIN then remarks that everybody is going to march next week. MARTHA then asks what "you folks" are going to do at Howard Stadium Sunday. MARTIN replies that he doesn't know and asks MARTHA who is having something. MARTHA replies, "All these Negro leaders having some kind of mass meeting- getting ready for Wednesday". MARTIN says he didn't know about that. MARTHA says somebody (not clear) on the campus just told her about it today and indicates she was told MARTIN would be there. MARTIN then asks if he is going to be able to see MARTHA Sunday. MARTHA replies that she is going home to Virginia; that she is going home tonight. She then interrupts herself to remark that MARTIN doesn't know "what kind of folks I'm having in here this week- AUDREY (ph), Brother CISCO (ph)-". MARTIN questions the last name and MARTHA says: "CISCO- LOWEN (ph)". MARTIN then indicates recognition of the name and asks when "he" is coming. MARTHA replies that "he" is supposed to come Sunday night too with AUDREY, "MITZI" (ph) and "LOIS" (ph) and she says they will be "here" all next week. But MARTHA adds that AUDREY is coming tonight and indicates that AUDREY is going to Virginia with her tonight. She says they are coming back Sunday and asks when MARTIN will "get here". MARTIN replies that he is coming in Sunday. He claims that he has been in New York for the last month trying to finish "this book". MARTHA remarks that she doesn't know why MARTIN didn't come to Washington to do his book because she says she knows what he has been doing in New York. MARTIN replies that</p>

MARTIN replies, "Shoo-".(ph) He then remarks, "I wish I could tell you how much, but I-". MARTHA interrupts to say, "I will always love you. You can mistreat me. You can forget to call me, but I will always love you." MARTIN replies that he appreciates that and asks, "Now, what about Sunday?" MARTHA asks him where he is going to be so that she can come to see him as soon as she gets back in. MARTIN replies that MARTHA will have to tell him in advance so that he will know whether to get his reservation right back. He tells MARTHA that he is coming in to do "a television thing"; that he has to be on "Meet The Press". MARTIN confirms that that's at 6:00. MARTHA then tells MARTIN that she will have to get in "here" at a decent hour in order to go to work so that she says she should be here by 9:00 o'clock Sunday night. MARTIN says that's too late. MARTHA asks what time (he would want her to be back in Washington). MARTIN replies, "By the time I get off" and indicates that he will be through with the T. V. program at 6:30 as he says it's just a half hour. MARTHA then asks if MARTIN is going away if she can't see him. He replies that he will just come right on back to New York. MARTHA then asks, "Why can't I see you Wednesday? Too many colored folk?" MARTIN replies affirmatively and adds that his family will be "there" too. MARTHA then tells MARTIN that AUDREY is driving her to Virginia tonight and that they are going to go to AUDREY's home down in Emporia (ph) too as well as MARTHA's house in Virginia. MARTHA then explains that if she is going to see MARTIN she will tell MITZI not to come until Tuesday in time for "the demonstrations" and in time for "the march" because she says MITZI is going to participate too. MARTHA adds that she will just have to tell AUDREY she has "people coming to town". But MARTHA asks how she can call MARTIN. MARTIN says that wouldn't be possible. MARTHA then asks if there is any way she can call "GARDINER" (ph) and leave word with him- or "GEORGE", but then adds that GEORGE is unreliable. MARTIN then tells MARTHA that she can</p>

WALTER FAUNTELROY (ph) as MARTHA confirms that she knows him. MARTIN says that when MARTHA gets him she can just talk to him "re. (ph) business". MARTIN says that then he will say what time he will get in. MARTIN adds that then he will say that "you can tell him that I could probably- that I would be <del>th</del>rough with the program at 6:30 so- 7:00 o'clock would probably be my best time to see him-.. or something like that". MARTHA indicates she understands. She then asks MARTIN for the phone number. MARTIN gives it to MARTHA: KI 9-2804 in New York City. MARTHA agrees to call MARTIN as he suggests.</p> <p>MARTIN asks MARTHA if she loves him and she replies, "Of course I do, baby- I missed you very, very much." MARTIN replies, "The same here." They agree to try to make it Sunday. MARTHA then says that AUDREY will probably come in "here" late tonight and she guesses it might be too late for her to call MARTIN. MARTIN asks if DODI had a good trip "back". DODI replies that she did. MARTIN then asks when she got back as he says he has been trying to call her. DODI replies that she got back "the other night". DODI then says MARTIN sounds funny to her like "static" (?ph) or (that he's?) "inside" (ph?). MARTIN replies that he thinks it's 2 things. He tells DODI that he's lying down and that he has a little cold. MARTIN then tells DODI that he has been in writing all day and that the house he is in is airconditioned. MARTIN says airconditioning doesn't help him too much; that it only makes his colds worse. DODI then remarks, "Oh!...You must take care of yourself." MARTIN replies, "Only for you... The greatest in the world. It's pitiful-". DODI says that "DOXEY" (very ph) said she called you Sunday (ph)" and DODI says that she (DODI) was concerned. MARTIN then tells DODI that he just barely made his flight, explaining that he was going to call from the airport, but he claims that when he got there "they" were really just kind enough really to hold it up for him because he says ordinarily he would have missed the plane. MARTIN tells DODI that he just overslept. DODI says MARTIN was very tired. MARTIN says that's what happened. MARTIN then again says he was going to call and explains (this time) that when he got to Chicago he had to go straight on to "the church". He says he was going to call but remembered something (not clear and interrupts self) DODI had said. MARTIN then says he remembered DODI had said she was leaving by 1:00 so that he says he thought it would be pointless (for him to call). MARTIN then asks what day DODI got back and she replies that she got back (to L.A.) Tuesday night. MARTIN then tells DODI that he called her yesterday and then adds that he thinks he called Wednesday too, but that he guesses it was at a time DODI was out. DODI says she was a little concerned because MARTIN didn't call. MARTIN then remarks, "Oh, I've missed you so much; You shouldn't do this to me." DODI replies, "Please don't talk that way (?ph)...You make me feel like I'm doing something horrible and I already have a complex- a guilt complex". MARTIN replies, "Well, I'm saying this in all of the friendliness and all of the joy that one can say something negative</p>

But when you do say it, it makes me feel worse (KING laughs)- and I suffered really from - a terrible, terrible complex-... in the past few days." MARTIN interjects, "Well, don't." DODI then continues: "I have really- because I- I'm very sensitive- and especially (about?) what happened Saturday night." MARTIN says he doesn't see why. DODI starts to tell MARTIN that he wouldn't understand but then says she thinks he should understand and that she is surprised that he doesn't. MARTIN replies, "Oh, I don't know. I wanted you to be joyous (ph) about it." DODI asks, "About what?" MARTIN replies, "In (ph) what happened- about the parlor (ph? or call??) Saturday night." DODI says, "I'm still friends." MARTIN then remarks, "Oh! I thought you meant what happened later." DODI then laughs as she says, "Well, that too-... but- I don't know- It's a strange (ph) thing of mine. I'm- I'm so afraid of being- I don't want to be connected with you in any way. I think- I can't afford it- and you can't either." MARTIN tells DODI: "Don't- I just don't want you to say that." DODI replies, "Well, It's the truth and you must understand it- and I do and I'm going to make it a point that- that it doesn't happen- for your sake as well as for mine-". MARTIN asks her, "What have you been thinking about?" DODI replies that she is afraid and says she told MARTIN that. She tells MARTIN that "I'm so afraid that I, in some way, will be connected with you. I don't want that." MARTIN replies, "But that could be avoided-... the connection". At this point DODI indicates she does not understand what MARTIN is saying. He asks if she can hear and she replies that he is not very clear: that he is not speaking loud enough. MARTIN says he is speaking pretty loud but that he thinks there is something wrong with the phone because he says that on 2 or 3 other calls today people said they could not hear well. DODI then says she hears MARTIN all right now. Then after an interruption while KING speaks to someone aside he tells DODI that he would really like to talk with DODI "about this" when he can be "in a relaxed situation" because he says DODI has him "concerned" now. MARTIN then says he thinks he will call DODI tomorrow. He says it would be about noon her time because he says it would be 3:00 or 3:30 "here" (in N.Y.). DODI agrees to this and confirms that she will be where she is now. MARTIN says he will do that then when he can talk a little better as he says she won't be at "home".</p>

DODI says she got a call from "him" but she says she couldn't talk too loud. She says it was this morning. DODI then tells MARTIN that <sup>she</sup> <del>he</del> is planning on going to DODI's mother's and she says she left word- "the telephone number"- and that he is going to call her "there". MARTIN then remarks, "But you said(ph or say?) you couldn't talk with him." DODI replies negatively and explains that at the time she had her cleaning lady and that "we" were doing the windows. She also says she couldn't talk because they had the vacuum cleaner on at that particular time. However, DODI says that about what MARTIN is thinking she can always talk. MARTIN then says that means two things; that that can be taken in another way and he tells DODI: "and you can certainly do that." DODI asks, "What?" and MARTIN replies, "You can talk." DODI laughs and remarks, "Oh, you silly (ph) thing." MARTIN then says, "I just love to hear you." DODI then asks MARTIN to take care of himself now. TOM says it has to be about LYNN having approached MARTIN about a tape after the march next Wednesday. MARTIN confirms that he has a recollection of the matter and tells TOM that LYNN had talked with MARTIN's secretary in Atlanta. MARTIN asks if the telegram is about giving "the details of the time and all". TOM confirms that it is and MARTIN then says that apparently LYNN sent a copy to Atlanta and he confirms that his secretary has already told him about it.</p> <p>TOM then says that the second thing is that on the 16th SIDNEY POITIER has asked 4 of "the groups" to join in a premier of his picture about "Lillies In The Field". TOM tells MARTIN that joining in it means an outlay of about \$300 as the theater is costing "us" \$1,000. He indicates that the other organizations involved would be SNICK (ph), CORE and NAACP. TOM tells MARTIN that if "we" sell the house we could make about \$1,500, confirming that he means each organization would make that much at the price the tickets are going to be scaled. TOM says he thinks "we" ought to try it since SIDNEY has been favorable toward the S.C.L.C. MARTIN says the only thing he would have to be concerned about is that "we" not lose anything on it. TOM assures MARTIN that he has no doubt that they will at least raise enough to clear the \$300 they will have to expend. MARTIN then indicates that they go ahead and do it.</p> <p>TOM then tells MARTIN that "the meeting was good today". He says that "this whole question again came up about the formal program". TOM asks if "CLARENCE" has talked to MARTIN about it. MARTIN replies negatively but tells TOM that CLARENCE and WALTER FAUNTELROY (ph) are on their way to come and see him now. TOM says they will discuss it with MARTIN then as he explains that he left a little before the meeting was over. He says CLARENCE and WALTER will probably discuss "details about that" with MARTIN. MARTIN says that it seems to him that "the Equality button", which is already being distributed pretty widely, is the one that's getting the greatest attention now. They mention that it is selling for \$1.00 and MARTIN says it has real symbolic value. MARTIN mentions that "we" have "this United Rights Leadership Council", which was trying to raise a million and a half dollars to be distributed between the organizations and he says it's really this council that's taking over the buttons. They agree that in view of this "we" shouldn't bother with any other buttons. MARTIN says he thinks they ought to concentrate on the Equality button and tells TOM that the arrangement "we" made is that a fellow named CURRIER (ph) purchased about 25,000, 000 of the buttons for only about 2¢ each and that "we" are selling them for \$1.00 with 50¢ going to "the council"; then the organization that's pushing it like NAACP will keep 25¢ and that "the branch" gets 25¢ so that TOM says this means that "we" profit 2 ways. MARTIN confirms that he means that SCLC would get 25¢ plus their share their share of the 50¢ "goes in" (ph). They exult over this and agree that they ought to forget all the other buttons and really concentrate on the Equality button. MARTIN speaks of 5,000,000 people wearing the button and TOM comments that "this thing could underwrite our budget amost (ph)". MARTIN agrees. MARTIN then tells TOM that a lot of the church groups are taking the button and they speak about it with TOM indicating that he is honorary State Chairman in the American Baptist organization. TOM indicates he will take up with them their buying the buttons.</p> <p>TOM then tells MARTIN about meeting he and other preachers attended in Washington last Monday and reports to MARTIN that Washington is going to produce between 35,000 and 40,000 people (for the march). He also says that "we" also have "some good powerful men" like GEORGE E. C. HAYES (ph) and good community men with a good financial setup "there" that HAYES, himself, is heading up and he tells MARTIN that "they" are going to help "us" to raise some money to pay the cost of "this thing". TOM says the ministers in Baltimore are going to do the best they can by working over this weekend. TOM then says that the Washington scene looks pretty good from the point of view of the government. He tells MARTIN that he has "a sneaking feeling" that there's going to be an executive order on Monday to close the government offices. MARTIN asks if TOM can handle the expenditure of the \$300 (for POITIER premiere) from the New York office (of SCLC) and TOM indicates that he can. TOM mentions that he is going to speak to "WYATT" about having auditor come in to New York in September to synchronize the New York office with Atlanta.</p> <p>Mario Bianchi W-4904-35</p> <p>"PETER", long distance from Berkley, California, to CLARENCE JONES. CLARENCE says he is sorry he hasn't answered PETER's letter. He explains that he has been busy 24 hours a day on "this march" with one hour a day on his law practice. PETER asks what CLARENCE is doing on the march and CLARENCE tells him he is charge of all the cultural people and celebrities coming in from California and other places. PETER indicates that he called about buying some law code books from CLARENCE. They discuss this at length and it is finally agreed that CLARENCE shall make up a list of just what he has so that PETER can see if it includes enough of what he wants and make a decision as to whether to buy the books from CLARENCE. PETER later indicates he has recently started practicing law in California and CLARENCE indicates the books he has pertain to California law. CLARENCE mentions that he is going to be out in California for about 2 months in November. He tells PETER that he has a client out there, a motion picture producer by the name of JOE STRICHT (ph). CLARENCE says he will be working with STRICHT on "the film" and "some other problems- production problems". PETER then mentions that he is getting some clients in the theatrical field too. TED says he is sorry he couldn't call MARTIN any earlier but that he had to get up "here" to Boston or he would have missed his plane. He then asks if MARTIN has talked to "CLARENCE" about "the meeting". MARTIN confirms that he has and tells TED that he got a report on everything. MARTIN confirms that CLARENCE told him how RANDOLPH told TED before the meeting that he (RANDOLPH) would handle "the other part". TED indicates RANDOLPH agreed but asked TED not to raise the question at the meeting, remarking that RANDOLPH said the only thing to raise was to make sure MARTIN was on the end of the program and that then RANDOLPH would tell MARTIN to, or let him, take his time. TED then tells MARTIN about friction with CORE at the meeting because they feel that JIM FARMER should be gotten out of jail to participate (in the march). TED also tells MARTIN about having resolved problem about parking cars in Washington and about planes with movie people coming in from California. TED says he will call MARTIN.</p>

King asked TED to apologize for King not being there, but he stated he had to work on his book and has an Aug 31. peadline. King also instructed TED to call him from the meeting and let him know what's going on. They talked mostly about the time allotments and the speakers for the affair in Washington.
