COVER PAGE

claim to fame is his resemblance to JACKIE GLEASON and that therefore he may need a sharper front man to run the lounge - a man who could meet executives on a little higher level.

The aforementioned informant advised that FEO hinted that he could use a waitress of the calibre of FRANCES PRIAM, longtime head waitress at the Genovese Cocktail Lounge, 412 Larimer Avenue, which he now operates as the Red Eagle Club. He also stated that unescorted girls visiting the lounge would be given drinks at no cost so that they could stay on the premises and attract male patrons. He emphasized that he had no wish to operate an escort service but that high-class prostitutes would certainly "add flavor" to the establishment. The informant explained that FELIX "PHIL" GENOVESE and MIKE GENOVESE have often stated that they do not want FEO in any of the rackets and wish to keep his name "clean" as far as police records are concerned. She said he was not allowed to attend any of the "top-level" administrative sessions which were held at the Genovese Cocktail Lounge prior to the Apalachin meeting and believes this was as much the wish of JOHN LA ROCCA as it was of his older brothers.

The informant advised that the aforementioned FEO used to date a small blonde prostitute named BARBARA GARRETT, and that when word got around that she was connected with the GENOVESE brothers in some way her business was curtailed by cautious prospects. She said BARBARA will marry one AUGIE (LNU), an Italian boy about twenty-five years of age shortly. She does not think AUGIE is in the rackets but has the potential, inasmuch as he is a good-looking Italian boy now employed as a waiter at "Club 30," notorious gambling establishment at Chester, W. Va. She believes that he was screened for this position by "JO-JO" PECORA, GENOVESE's organizational lieutenant. She said BARBARA is known to the FBI, having been unfortunate enough to be picked-up in several police raids, and that she once roomed with NORMA GRILLO, well-known Pittsburgh prostitute. She stated that BARBARA is a small, twenty-four year old blonde who has not been prostituting for about three or four months and is determined to stay out of the racket for the sake of her fiance. She does not believe BARBARA would know very much about anything other than prostitution, despite her once close association with

FEO GENOVESE because FEO was and is very close-mouthed with the little information his brothers allow him to know. She said BARBARA is living with her boyfriend, AUGIE, on the corner of Fifth and Shady Avenues and was given a bridal shower by her friends in the prostitution racket recently.

The informant advised that "Young Johnnie" LA ROCCA has not been in the Pittsburgh area for at least four months, to her knowledge, but had a date with a prostitute on Centre Avenue when last in the city. She said he was accompanied by a businessman from Johnstown, Pa., from whom he was seeking backing for some venture and that the man was being entertained by "Young Johnnie" during the visit. She stated that the businessman was "goofy-looking" and not interested in securing a date for himself.

The informant advised that MIKE GENOVESE is still in the Pittsburgh area, to her knowledge, although he has not lived at his farm in Gibsonia since early October, 1959. She believes his wife is having trouble with her health, but states that most of this trouble is in her mind and that she worries about her husband a great deal. She advised that the Red Eagle Club is quiet and still caters to a neighborhood clientele preferring pizza and beer. She said JOHN LA ROCCA does not visit here any longer and that most of Pittsburgh's racketeers who once made the Genovese Cocktail Lounge their hangout prefer not to even be observed in its vicinity. She stated that she had heard from "Young Johnnie" LA ROCCA that his older brother, "Big John," might have to appear with MIKE GENOVESE at a trial in New York City but that "things will eventually all clear up."

*where state*

The informant advised that she or any other close-mouthed established prostitute could contact GABRIEL "KELLY" MANNARINO and be placed for expensive dates either in New Kensington, Pa. (a city controlled by the MANNARINO top hoodlum combination), or at the Town House Motel in Monroeville, Pa. She explained that "SONNY" CIANCUTTI, shylock and procurer for the organization, would make necessary arrangements. She advised that she has personally observed LOUIS VOLPE (former Pittsburgh top hoodlum who controls the Wilmerding, Pa., area), at the Town House on at least two occasions between May-October, 1959, and said that VOLPE is always good for a "touch" if the prostitute is one he likes.
