~~CONFIDENTIAL~~

The confidential informant mentioned in the enclosure is FELIPE LUIS SARRAIN GONZALES, who furnished the information in the enclosure to SAs HOWARD P. WINTER and HARVEY E. WILKINSON. SARRAIN requested that his identity as the source of this information be kept confidential because revelation of himself as its source would alienate the friend who furnished him the information and would frustrate SARRAIN's chances of securing further pertinent information concerning captioned organization. SARRAIN promised to relay to WFO any further pertinent data he might be able to secure. In this connection, SARRAIN stated that he disapproves of hit-and-run operations but indicated that, given the opportunity, he might personally engage in a substantial guerrilla attack in Cuba designed to destroy any large public facility, the destruction of which would definitely hurt the CASTRO regime. *RV*

During the interview with him, SARRAIN revealed that he had last week been personally approached by an agent of Operation Alpha 66 and offered \$400 per month plus expenses if he would agree to train for and assist in actual hit-and-run operations of captioned organization. SARRAIN said that he declined the offer. He advised, however, that he would be willing to penetrate the organization as an FBI informant if this were desired and if suitable terms could be agreed upon. SARRAIN was advised that his offer was appreciated but could not be accepted. *RV*

SARRAIN was interviewed at his home, Apartment P-2, 7888 New Riggs Road, Adelphi, Maryland. As the Bureau is aware, SARRAIN is 40 years of age and a lawyer by profession. He has stated that for some five years prior to 1/1/59, he served as prosecuting attorney in Havana, Cuba. He fled Cuba in May, 1959, for political reasons. He has admitted that he served six months of an 18-month prison term in the Federal Correctional Institute at Tallahassee, Florida, for forging United States visas in an effort to have relatives and friends in Cuba admitted to the United States. SARRAIN is presently employed as a laborer at the Duron Paint Company in Beltsville, Maryland. *RV*

At the conclusion of the interview with him, SARRAIN volunteered information that ROLANDO VEGA and a Cuban associate have lately been traveling frequently between Washington, D. C., and Baltimore, Maryland, in an effort to round up sympathizers *RV*
