Dispatch from Chief of JMWAVE to Chief of WH dated 13 Jun 1966:

"According to his file WerBell appears to be a low level, would-be con man
who has a history of being involved in Castro assassination schemes and of
provesing to be connected, or at least in contact with KUBARK. According
to AMRAZZ/1, ~~Livingston~~ 'livingtson' was involved with Antonio Veciana's
alleged assassination ploy and he was masquerading as a KUBARK officer....
2. "Livingston' has as yet failed to call on AMRAZZ/1 as he had promised
Cogswell in New York City." signed by Philip G. Elmard.

Dispatch no dayte , j by Elmard:

James Cogswell ~~is~~ is a NY attorney ~~involved~~ mentioned in connection with
raising funds for Eloy Gutierrez Menoyo.

" b. Antonio Veciana Blanck (201-312966) - Born 18 October 1928 in Havana.
He is a public accountant by profession. He is titular head of Alpha 66
and a member of MRP and SFNE. He lives in Puerto Rico. He has a cryptonym
and is of marginal operational interest to JMWAVE CI Branch as a source of
information obtained by AMKnob/1 for the CUIS." date is probably around
same time as previous as has same subject heading and concerns same
people operation, etc.

Contact report dated 25 April 1966:

"Cogswell told (am)Razz that he was expecting Antonio Veciana at that moment.
Veciana, Cogswell saidn, was in a plan to assassinate Fidel Castro. Details
of the plan were lacking. Veciana wanted Cogswell to introduce him to a man
known andly as FNU Livingston, form 'Wintson, Massachusetts.' Cogswell's
sister, mane unknown, who works in Washington, DC-presented livingston to
Cogswell about a month ago. Veciana showed up while Cogswell and Razz were
talking. Veciana surprise at seenig Razz was astounding. In private, Veciana
....Cogsewll told Razz that on Sunday night, 17 April, he had introduced
Veciana to Livingston. The latter two had spoken in private after which
veciana came away very pleased byt did not disclose anything except that he had
a plan to assassinate Castro."
Cogswell "will be remembered as being invlved in fund raising for the 'Prince-
Pelaez' plot to kill Castro."

MW requested CIA permission for an attempt of Fidel in January , 1966.

MW contacted "occasionally at headquarters" before his POA revoked. It was revoked because "it was determined that he had no worthwhile information to offer nor was he able to develop any. He was assessed by Headquarters as a 'wheller dealer' type with considerable intelligence but unable to realize much success in promotion work and that his approaches to KUBARK were designed primarily to obtain financial support." Dispatch UFGW-5572 dated 28 Sept 1965. also says that in May of 62 was in Managua as vice president of Communications International Ltd attempting to sell surplus arms. Was also attempting to sell an "International Investigation Service". Attempts were unsuccessful. NRV

DIR 30730637 dated 17 August 1962:

"Garcia Kohly, WerBell, and Smith are well known Kubark Hqs and considered to be wheelers and dealers, peddlers of grandiose schemes, and unscrupulous. Smith, as of June 60 was a member of Jones and Handy Marine Architect Firm, Miami. Smith travelled to Cuba several times between January 1959 and March 1960. Firm was working on a steel mill in Oriente province. One "Piner Pineiro" is allegedly involved in plot. HQ can't ID an exile with that name who may be travelling to Guat. Reports that "Major Manuel Pineiro Losada is Assistant Chief Cuban G-2 and well known member Castro's entourage" but unlikely that this is the one involved because the difficulties he would have in traveling to Guat.

Man 3949 dated 21 May 1962 says that MW and Manual Firesotne trying to sell Mato Surpluss weapons.

Thomas J. Flores Memo for Record dated 13 October 1959: MW called him on 9/25 to report a big meeting of "heavy financiers of the opposition to Castro" to be held in DC during week of 9/28. involved: Jorge Bethart and FNU Sanchez Nunez. MW asks that CIA underwrite his attendance of meeting. Flores recommends to C/WH/III that "we either terminate Subject or put him to work" terminated for following reasons:

"a. his motivation is obviously to use the Agency as a source of financing for his personal business schemes.

b. As an American his access to full information on Cuban revolutionary activities will always be limited. This is borne out by the fact that his information, while indicating some access, has been incomplete and obviously second or third hand."

¶ Flores again talked to MW on 10/2:

"I told Subject that after due consideration of the risks to him, the cost in time and effort to him, and the risks and expenses involved for the Agency, balanced against assets generally available throughout the intelligence community and his access to additional information, it had been decided not to give him any operational tasks at this time,. I suggested that since the bulk of the matters which come to his attention in connection with the Cuban matter take place in the united States, he should report such information to the FBI. Subject appeared to understand that we would not use him and expressed his regret. The conversation ended on a friendly note."

Flores memo for the record dated 23 Sept 1959: Werbell reports that "Joe Merola and a number of others have been discussing the counterfeiting of United States dollars and Cuban pesos for use in connection with Cuban revolutionary activities." F suggests he tell FBI and MW says he will. MW reported back that FBI referred him to SS. ~~XXXXXX~~

Flores memo for record dated 5 Aug 59:

"Although he has been evasive and obviously not completely frank with us, it appears tha WerBell does have access to information of interest on Cuban and Dominican Revolutionary activities aimed ~~at~~ against the Castro Government, and that he is well conected with the underworld elements operating in the Miami area."

Memo also notes that ~~X~~Flores has learned of POA.

Flores memo for hte Record dated 5 August 1959:

Report from AMBOAR that William Morgan is involved in a plot to assassinate Castro. (Subject is telephone conversations with "Reichhardt".) also has this paragraph: "Reichhardt said tha t he was out of touch also with Nunez Portuondo. He said he had tried to phone Nunez on a number of occasions but the phone was not answered. Discreet inquires in Mimai also indicated that Nunez' location is unknown at this time. Reichhardt said he is still holding the letter from Col. King to Nunez."

Documents also indicate that WerBell was providing information on A "General Pedraza who was in the Dominican Republic in 1959 trying to organize anti-Castro activities. Involved with Pedraza was Rolondo Masferrer.

MW was reporting that Masferrer was one of Pedraza's contacts in the US.
