It would be interesting to determine if Hemming was discharged from the Santa Anna Marine Air Base.

From a perusal of Agency files, which are meager, I have been unable to corroborate a possible relationship between Oswald and Hemming. A comparison of their (limited) records did not produce any matches.

4. The pertinence of the foregoing is that Lee Harvey OSWALD served with a U. S. Marine Air Wing in Japan, and when OSWALD returned to the United States, he was assigned to Santa Anna, California (Los Angeles area). Extensive testimony contained in the Warren Commission hearings by OSWALD's fellow Marines at Santa Anna contain the theme that OSWALD was interested in going to Cuba to join Castro (upon his discharge) in early 1959 and that in early 1959 OSWALD allegedly made some contact with the Cuban Consul's Office in Los Angeles.

5. The above as well as the Office of Security file concerning HEMMING which is replete with information possibly linking HEMMING and his cohorts to OSWALD was brought to the attention of Mr. John Leader (and Mr. Scott Breckinridge), Inspector General, on 6 April 1977. Mr. Leader advised he would pursue the matter.
