72. 25 Nov.				Press reported OSWALD entered Mexico 26 Sept with tourist card given him by Mexican Consul in New Orleans on 17 Sept. Press confirmed that 26 Sept OSWALD crossed border by NAW Nuevo Laredo, Tamps., the following day to Mexi City by road. On 27 Sept he went to Cuban Consulate General
				to request visa to transit Cuba because he was going to live go to Moscow via Habana. Consul Eusebio AZCUE told OSWALD that he would have to consult his government, that the paper work required 10 to 12 days.
				OSWALD, because of his irritable character, became annoyed with AZCUE and left the office slamming the door. On 28 Sept OSWALD went to the Consul General of the Sov Union to request a visa for Russia. He said in helping his case, that his wife was a Sov citizen; that he was a
				militant Communist and had lived three yrs in Russia. OSWALD told the Sov Consul that he could verify this quickly by calling his wife who was at that time in New Orleans in a hotel. The Sov Consul said he would have to consult with his government and that ordinarily a case like this
				would take from three to four months. OSWALD again became annoyed as he had the day before in the Cuban Embassy and left the office very mad. OSWALD returned to Texas on 3 Oct via the border of Nuevo Laredo, Tamps.
73. 25 Nov.				Investigations so far do not indicate that OSWALD interviewed higher officials of the Sov and Cuban Embassies. MEXI 7055 - Mexi daily Excelsion (same as para 72 above), also: This
				Hqs is aware of AP story datelined Hava 7 Sept 63. At reception at Brazilian Emb Fidel CASTRO is Quoted: "We are prepared to fight them
				and answer in kind. United States leaders should think (reflect?) that if they are aiding terrorist plans to eliminate the Cuban leaders, they themselves will not be safe."
74. 25 Nov.	1232			Lic. CERVANTES calls from UNS offices to 18-35-70, office of LIENVOY newspaper El Mundo (sinarquist) and asks what is new. Office girl says House of Senators called to say the Commission of Foreign Affairs would be at the American Embassy at 12 to express regrets for Kennedy's death. CERVANTES makes a note of that.
75. 25 Nov.	1445			Julieta de Enrique GONZALEZ Pedrero comments with Cecilia that she is LIENVOY very impressed with all she has seen on T.V. since Friday and then yesterday when the other one (OSWALD) was killed. Cecilia agrees.
				Julieta says this all stems from a Fascist organization, because the police and gangsters are of the same group. Cecilia does not agree but believes this all stems from the John Birch Society. Julieta says

no this could not be true because one was a Jew. that it is definitely a group of Fascists, very American, he is owner of a Cabaret of nudists and belongs to political gangsters. Cecilia says it is absurd that they let him enter (Ruby entering jail where OSWALD was). Julieta says he (Ruby) was there from the first day, that he began to mix with the police and newspapermen. It was perfectly planned, indeed some of the police probably are of the same organization because Ruby Butxthexam KENTRIED X NEW YORK THE STREET AND A STREET Cecilia agrees, the picture is evidence of that because the police did not move to try to get in or anything for within a question of seconds there should have been a reaction. Julieta hopes they will continue the investigation; at least Kennedy's brother has sent a special agent. Cecilia says everything about it is strange as the paper stated they found this character (Ruby) drinking Coca Cola on the second floor and they just left him there. Julieta adds that from the f very first everything was absurd, that he was a Communist. Cecilia says this type (OSWALD) could not be nuts because the whole thing was so perfectly planned and that is evident since the bullet was aimed at Kennedy. Julieta believes that this is all done by extreme rightists planned from very high up and that is why they had to kill OSWALD so he couldn't talk. Julieta adds that she hopes they will wake up a little with this business and pay attention to what has happened because it is evident it is all a conspiracy of rightist groups and military men. She adds that in a very obvious way this individual (OSWALD) pretended he was a Communist to prepare the groundwork. Cecilia believes that he even purposely married the Russian girl. Julieta comments that all was very well prepared, step by step to blame the Communists, but that now with this (OSWALD's death) everything is more complicated and they couldn't continue (the investigation) and even the Dallas police said that with the death of OSWALD the case was closed, but the FBI answered immediately that it was not closed, that on the contrary, they had to open an investigation and also the Senate will name a commission to investigate, and Julieta hopes they won't be alarmed at whatever may be turned up. She adds that each time more details a confirm that OSWALD was a Fascist and this business of trying to join an anti-Castro organization and later poke his nose into the Fair Play for Cuba surely all of this was made up by the Dallas police. Likewise she indicates that all the speeches given try to imply that he (OSWALD) was a fanatic: also NIXON spoke to the peoples of the Nation to stop this tendency toward violence and hate. Cecilia is astonished that NIXON has made a stand as a good person. Julieta says that it is that

now everyone is frightened since they have seen just to what extent these things can happen. She hopes they continue the investigation to the end.

Barbara remembers. Hugo asks if Charles has his white car in the same place, that at that time he was very worried that it would be stolen. Barbara comments that the others were nervous; and Betty, with the long hair, is now fighting with her husband. Hugo remembers that it seemed that day that they were having a party there in Ruben's house. Barbara indicates that it was a party for children. Hugo asks where she spent the day yesterday. Barbara said she went with Tino (CONTRERAS) her sweetheart, but adds that Tino went to the United States to record some music, jazz, for he plays the drums. Hugo asks if she hasn't gone to Acapulco. Barbara responds no because she doesn't like til (Acapulco); that there you can only go for your honeymoon. Then she comments that isn't it horrible that RUBY killed OSWALD, "but think how those policemen are in Texas they are mules." Hugo comments that in the photo you could see that they didn't even turn around (when Ruby shot OSWALD). Bartara
					believes that they wanted OSWALD to die. Hugo comments that now they say they might poison Jack RUBY. Barbara says the thing is not normal, "It's a thing, how do you say it crooked (or twisted)." Hugo says that today he is on call but tomorrow he will be free.

요한 요요 생겼다. 하면 하지 않게 한테 관심하다 하는 법	ODENVY will be advised. Since my cable of yesterday (MEXI 7072 - para 97 above) there have
	been three principal developments: 1) Amb HERNANDEZ Armas at 1839 hrs last evening called DORTICOS of Cuba. In this conversation, which like the first is tared, DORTICOS expressed
	continued concern over possibility that Mexi police had interrogated Silvia about money.
	2) ALVARADO, the Nic, was questioned by CAS officer until two a.m. this morning. This
	officer was impressed by ALVARADO who has offered make himself available as a witness and
	who is now hiding in place provided by CAS. We cannot guarantee ALVARADO's safety. Wealth
	of detail ALVARADO gives about events and personalities involved with OSWALD in Cub Emb
	is striking. 3) At 1215 hrs Mexi time 27 Nov., CAS officer was admised by phone by
	ECHEVERRIA that he had rearrested Silvia today because he learned she was attempting to
	leave Mexi for Habana. However, Echeverria later told LEGAT that he had decided to rearrest Silvia to avoid any possibility she might escapt to Cuba and later be unavailable as a
	witness. Since we had received no reply to yesterday's telegrem (MEXI 7072 - para 97 above)
	we have not requested Mexi gov to take g any action against Silvia except to maintain
	increased surveillance of her activities. Echeverria later denied to LEGAT that he had any
	specific concrete evidence that she was about to leave for Cuba. We do not now know which
	Echeverria statements are accurate. It is quite possible, and even probable, that contra-
	dictory statements made by Echeverria are explained by desire of GOM to play down importance
	of OSWALD visit here. Mexi line still is that OSWALD visit related solely to visa question.
	Consistent with this Echeverria stated to LEGAT that DORTICOS only interested in finding out whether Mexi authorities tried to pay a story from Silvia. This is obviously incrorrect
	interpretation. Neither LOPEZ Mateor nor Echeverria know of ALVARADO's story. Pls note
	that according Echeverria Silvia is being taken to Attorney General's office to which
	Mexi press has easy access. Possiblity of habeas corpus cannot be discounted. 4) We
	have as yet found no trace of the red headed Cub negro described by ALVARADO, but are
	continuing our search for him. 5) In addition to questions raised in yesterday's telegram
	Washington should urgently consider feasibility of requesting Mexi authorities to arrest
	for interrogation: Eusabio AZCUE; Luisa CALDERON and Alfredo MIRABAL. The two men are Cuban nationals and Cuban consular officers. Luisa CALDERON is a dr secretary in Cuban
	consulate here. In this connection article II of Consular Convention between U.S. and Mexi
	exempts from arrest "Consular officers, national of the state by which they are appointed,
	and not engaged in any private occupation for gain" except "when charged with the commission
	of an act designated by local legislation as crime other than misdemeanor and subjecting
	the individual guilty thereof to punishment by imprisonment." We are checking to see whether
	all of these individuals are on current consular list. Even assuming they are, and assuming
	also that Cuban-Mexican consular convention is similar to ours, they would all seem to be
	subject to arrest, provided Mexican law defines their apparent conspiracy with OSWALD as a crime and not a misdemeanor. They may all quickly be returned to Habana in order to
SECRET	eliminate any possibility that Mexi Gov could use them as witnesses. We know that AZCUE

139. 28 Nov.	EL DIA - The Amazing Puzzle of the Dallas Police. Written by El Dia correspondent, Leopoldo ARAGON. Article on discrepencies of OSWALD as the "only" killer The incognitos continue. The rumors continue. The 40,000 dollars found in OSWALD's house. A paid assassin? An assassin silenced by the bullet of someone or some who feared they might be implicated?
140. 28 Nov. 1230	STATE TELEGRAM SENT SECSTATE 1201 FLASH (Roger Channel) For Sec Rusk and Alexis Johnson: Amb. Mann's telegram says Many thanks for your telegram 961 (not in file). Perhaps I should describe briefly the background for my recommendations on the OSWALD case. 1. In reading OSWALD's rather complete dossieretc., etcI therefore request somest instructions on following specific points: a) Mexicans must be told immediately whether we want them to continue with investigation. b) Mexicans are pressing us for immediate agreement that DURAN should be turned loose but kept under surveillance. What shall we say. Request immediate answer to this specific question. c) If ALVARADO is not to be turned over to Mexicans what do we do with him? Shall we send him to the States for interrogation? Shall Embassy give him polygraph test here? Or shall we do something else and if so what?
141. 28 Nov.	DIR 85371 (Ref: DIR 85318 - not in file, not abstracted) To be certain there is no misunderstanding between us, we want to insure that neither Silvia DURAN nor Cubans get impression that Americans behind her re-arrest. In other words, we want Mexi authorities to take responsibility for whole affair.

He wants Amb Mann to know that it not likely requested instructions will be forthcoming prior 28 Nov. On Wash end ODENVY has jurisdiction. Both ODACID and KUBARK attempting follow their wishes. For your private information, there distinct feeling here in all three agencies that

	Amb is pushing this case too hard and that we could well create flap with Cubans which could have serious repercussions. Understand from Mr. Johnson that he sent telegram ODACID channels to Amb this afternoon attempting to give him better perspective on this whole problem. We hope this will be of some assistance in reducing his pressures on you.
142. 28 Nov.	DIR 85653 - ODENVY says their follow-up investigation of OSWALD's activities has produced "reliable indications" that he was in New Orleans on 19 Sept 63. This, coupled with earlier evidence that he was in New Orleans applying for unemployment insurance on 17 Sept means OSWALD would have had to fly to Mexi and back between 17 and 19 Sept in order to be at Cub Emb getting his pay off, as ALVARADO claims, on 18 Sept. With this added in fo, believe Mexi can confidently regard ALVARADO as fabricator and tailor interrogation accordingly. Perhaps he might respond to suggestion that he has been having delusions and needs psychiatric treatment.
143. 28 Nov.	DIR 85654 - We have just heard by phone from Kingman, who is at home, that Mexi evaluation of ALVARADO story may have been seriously warped by a piece of misinformation which has crept into this case. From conversations with your officer, Kingman has the impression that they believe theere is other evidence that OSWALD made a bank deposit of 5,000 dollars in the U.S. after he got back from Mexi on 3 Oct. This would tend, if true, to corroborate ALVARADO's story that he saw OSWALD get 5,000 for the job and 1,500 for expenses. Kingman thinks he heard that CURTIS got the info about the bank deposit from an ODENVY man named
	Clark. We know of no such bank deposit. ODENVY here has just affirmed they never heard this story. The story of the deposit of 5,000 dollars is therefore almost certainly erroneous. Pls check it with ODENVY there. We have advised ODENVY that this rumor exists in Mexico. / We can readily see how this piece of misinformation would mislead you. Pls do not assume this Hqs is in possession of all facts known to ODENVY or the Dallas police or any other body. / ODENVY has just levied on us official request for full info on source and origin of rumor about 5,000 dollar bank deposit. Pls reply immediate.

151. 28 Nov.		DIR 85616 - In the face of mounting evidence that ALVARADO is fabricating his story of seing OSWALD take money in Cub Emb, urge you follow up with his local NIC case officer and avail yourself of the help of the Nic service, which a can send ERTHYROID 3, a good KUBARK asset, to help in interrogation. We find it incredible that the Cubans would brief and pay an assassin in front of k a Nic interloper. We think it possible or even likely that he has been in and out of Cub Emb as a Nic agent trying to infiltrate cuba and has picked up names and faces there in so doing. All he has said about OSWALD he could have gotten from the press, except for certain incorrect items such as his statement that OSWALD wore glasses. / The fact that ALVARADO is a calm, nice and intelligent young man does not mean he is not fabricator. FYI we and other agencies are being flooded by
		raprications on the OSWALD case from several continents some originating with people on the fringes of the intelligence business. Such fabrications are not usually done for money, but out aff sickly fancy and a desire to get into the intel game. / We do not think it a remarkable coincidence that both DORTICOS and ALVARADO talk about money paid to OSWALD. For one thing, pay for an assassin is a factor which immediately rises in the mind of expert and layman alike. Secondly, DORTICOS may have heard through some Russian or Cuban source in the Mexi government that DURAN was asked whether the Cubans paid OSWALD for the alleged assignment. / While we do not insist that ALVARADO's story is beyond all belief we do urge that Mexi place it and ALVARADO under the most searching scrutiny. His interrogators must probe deeply into his make-up and lead him back through the though processes which may have led him to make this possible mis-step. In securing confessions of a fabrication, a sympathetic attitude, stressing awareness of the severe mental strain the subject must be under, and with generous recognition of his "basically fine mocivation" coupled with promises of face-saving secrecy, and even specious hopes of "useful" future cooperation are often effective. Hawas Hours must be devoted to these tactics. / Have just received Mexi 7107 - para 128 above - Concur that MANA lend all assistance and induce Nic service to cooperate. DIR 90466 (Ref: MEXI 7115 - para 154 above) Our present plan in passing info to Warren Commission is to elaminate mention of taps, in order protect your continuing ops. Will rely instead on statements of Silvia DURAN and on contents of Sov Con file which Sovs gave ODACID here. File shows both OSWALD and wife were dickering with Sovs in Wash by mail to get permission return to Russia. Exact detailed info from LITAMILS 7 and 9 on just what Silvia DURAN and other officials said about OSWALD's visits and his dealings would be valuable and usable corroborative evidence. Request you requestion them carefully on these points, attempting get as much authentic data as possible, without mixing in what they know from newspapers. Pls cable summaries and pouch detailed statements.

MEXI 7527 (Ref: DIR 89366 - para 260 above) 14-12-99 is home number of Raul APARICIO Nogales. Cultural Attache of Emb. MEXI 7615 (Ref: DIR 90466 - para 268 above) LITAMIL 9 has nothing additional to offer beyond account of MEXI 7115 (para 154 above) except that Silvia said at that time that she was perfectly willing travel to U.S. to confront OSWALD if necessary. L9 did not talk to Silvia about OSWALD visit. merely stood around with other staff members while Silvia recounted arrest. interrogation. release. Silvia did not mention any details of her encounter with OSWALD. / L9 reported on 27 Dec that Silvia has not reutrned to work since release from second arrest. Her husband was angry over FOMIN ROA note which made cause celebre of affair, told PBRUMEN emb official that ROA note inna inaccurate in claiming Silvia mistreated by Mexi police.

277. 13 Jan	heck			MEMO to Boonstra, cc to COS, from LEGAT: Subject: OSWALD - Attached is a memo setting forth the results of an interview of one Ylario ROJAS Villanueva of Guadalajara who wrote a letter to Attorney General Robert F. Kennedy which contained info allegedly having to do with assassination of K. Letter, postmarked 31 Dec 63, Guadalajara to Robert F. Kennedy said I Ma am a Mexican I am communicating with you because I do not trust anyone in the matter I intend to deal withdeath of your brother I used to be a friend of OSWALD and also of Albert, as well as three more people. I knew about the plan, but I never thought that it would turn out tobe a true plan Signed Ylario ROJAS, Manuel Acuna 1367, Guadalajara. / Upon interview on 10 Jan 64 ROJAS furnished the following info: In June or July 62, ROJAS was in Mexico City Suben approached him about smuggling Cuban propaganda into Mexi. The Cuban said he would see him later in Guadalajara. / Around middle of Aug 62, the Cuban arrived in Guadalajara in an automobile and drove ROJAS to Ciudad Juarez, Chihuahua. K ROJAS went to a movie in Ciudad Juarez and apparently the Cuban went over into El Paso. / When the movie was over, ROJAS was picked up in
		SEC'	RET	front of the theater by the Cuban who at that time introduced him to an individual. ROJAS has no independent memory of this individual's name, but recognizes him by phot as OSWALD. The three went to a bar where they discussed the introduction of CASTRO propaganda into Mexi via Cozumel, an island locatedThey talked at length, including discussions of everyday matters, for about four hours and they also did quite a bit of drinking. The Cuban apparently turned his car over to OSWALD and the Cuban and ROJAS spent the night in a hotel/ROJAS said the following morning they left Ciudad Juarez on a flight of Aeronaves and flew to Monterrey.

NW 65990 Docld 32396791

It is to be noted that Aeronaves has no such flight as that described by ROJAS. After arrival in Guadalajara the Cuban gave ROJAS 400 pesos and told him he would receive further instructions at a later date. / In the latter part of Dec 62 the Cuban came to Guadalajara and gave ROJAS 900 pesos and told him to proceed to Cozumel by bus within about five days. ROJAS arrived in Cozumel just after Christmas 62. There he was met by 2 Cuban men and a Cuban woman whose first name was CRISTINA. ROJAS explained that, although he cannot recall the names of the Cubans, he has them written down in a notebook which he left with Daniel SOLIS, a municipal policeman in Cozumel. ROJAS stated SOLIS would not deliver the book to anyone but him. / About 28 Dec 62 OSWALD arrived in Cozumel, having proceeded there from Jamaica via Mexicana de Aviacion. OSWALD. the three Cubans and ROJAS again discussed the introduction of Cuban propaganda...........During the time of these discussions OSWALD and the three Cubans stayed at the Hotel Playa in Cozumel and ROJAS stayed with Daniel SOLIS. / OSWALD remained in Cozumel for 2 or 3 days and then returned to Jamaica by air. The three Cubans and ROJAS continued to reside in Cosumel until about 15 Feb 63 when OSWALD again came to Cozumel from Jamaica. On this occasion OSWALD stayed three days in Cozumel. The day after his arrival an American by the name of ALBERT arrived from Jamaica. All conversations between this American, OSWALD, and the three Cubans were in English, ROJAS stating that all three Cubans spoke very good English. The Cuban woman, CRISTINA, told ROJAS that they had discussed the elimination of Pres Kennedy. She stated that OSWALD was for killing Kennedy but that ALEERT and the Cuband did not agree with OSWALD. / ROJAS stated that he has ALEERT's last name entered in the notebook which is in the possession of Daniel SOLIS. He claimed he got ALBERT's name from a U.S. Gov credential in the bath house of the Hotel Islena where ALBERT stayed. OSWALD allegedly stated that, no matter what the opposition, he would have to go through with it (the killing) because otherwise he might lose his life, indicating that he was acting under orders. / ROJAS stayed in Cozumel until early March 63 then returned by bus to Guad./ ROJAS could not explain why he cannot remember the names of the three Cubans in Cozumel after having been with them for nearly three months. He described them..../..../.....ROJAS stated he is willing to go anywhere is his expenses are paid to make any indentification and to pick up his notebook with the full names of the individuals mentioned. It was noted during the interview that he appeared sincere, but stated he is desperately in need of money. He lives in a slum area of Guadalajaara, is 31 yrs old, about five feet nine inches, medium build, dark brown hair, dark complexion, brown eyes and has a mustache.

MEXI 7764 - LEGAT requests following which connected with investigation of a lead on OSWALD. /

HMM 8289 (Source: LITAMIL 9) Officials of the Cub Emb in Mexi received very few Christmas greetings from Mexi Gov officials. (It is believed that the lack of the traditional exchange of Christmas greetings between Mexi Gov and Cub Emb was the result of the resentment caused among Mexi officialdom by the strong note dated 26 Nov 63, rec'd by the Mexi Ministry of Foreign Relations from Raul ROA Garcia. MEMO to Boonstra. cc to COS from LEGAT: Subject: OSWALD - It is to be noted that the White House was in receipt of a paper entitled "Possible Psychological Motivations in the Assassination of Pres. Kennedy" written by Jose I. LASAGA of Miami, Fla. This speculative paper attempted to establish that the motivation of OSWALD in the assassination of Pres K was Fidel CASTRO or a CASTRO agent and that OSWALD was motivated during his trip to Mexi between 27 Sept and 2 Oct 63. The paper alleged that OSWALD held an extended interview with the Cuban Amb in Mexi whom he met in a restaurant on the outskirts of Mexi from which restaurant they both later left in the Amb's car for a talk without being overheard. / Source of this latter info was alleged to be Salvador DIAZ Verson. This individual was interviewed at Miami. He stated that while in Mexi 29-29 Nov 63 attending the Congress of the International Federation of Professional Newspaper Organizations, he was at the offices of the newspaper Excelsion on the night of 25 Nov 63. There he learned through the Mexi press that the Mexi gov had arrested one Silvia DURAN: that DURAN allegedly had OSWALD as a guest in her house during his visit to Mexi: and that DURAN placed OSWALD in contact with officials of the Cub Emb in Mexi. / DIAZ Verson went on to claim that he was a told by Dr. BORRELL Navarros, an exiled Cuban newspaperman employed by Excelsior, that OSWALD and DURAN on the day following OSWALD's arrival in Mexi went to a restaurant called the Caballo Blanco or possibly the Caballo Bayo where they met an official of the Cub Emb. DIAZ Verson claimed that he knows nothing about OSWALD and the Cub official leaving the restaurant together in a car. / It was ascertained that Dr. Eduardo BORRELL Navarro, a former Cuban Cabinet Minister who on occasion writes feature articles for the Mexi City Excelsion, currently resides at 1303 Homero St., Apart 301, Mexi. BORRELL Navarro was interviewed on 11 Jan at which time he furnished the following info: Salvador DIAZ Verson was in Mexi as claimed and discussed OSWALD with BORRELL and other Cuban exiles. DIAZ Verson also visited BORRELL in BORRELL's home. / BORRELL did not tell the story credited to him by DIAZ Verson concerning the visit to a Mexi City restaurant by OSWALD and Silvia DURAN. BORRELL had never heard this story or any similar story before. / BORRELL knew of no meeting between OSWALD and Cub Emb officials other than the meetings which occurred at the time OSWALD visited the Cub Con in Mexi. / BORRELL knew nothing concerning any visit by OSWALD to the home of DURAN. / It is to be noted that DURAN was questioned by Mexi authorities

on 23 Nov 63. At that time she confirmed that OSWALD visited the Cub Emb in Mexi during the time he was in Mexi from 27 Sept to 2 Oct. She alleged that the purpose of his visits to the Cuban Emb was to obtain a Cuban visa. She stated she had given him a telephone number to use in calling her concerning the visa, but denied that he had ever visited in her home. / On 17 Jan 64 a source... advised that he had been unable to locate a Caballo Blano restaurant in Mexi, but stated there is a Caballo Bayo restaurant located on outskirts of Mexi. Source went to restaurant, showed photos of former Cub Con Eusebio AZCUE Lopez, who was in charge of Cub Con at the time of OSWALD's visit there, of Cub Amb HERNANDEZ Armas, of Silvia DURAN and of OSWALD to employees of restaurant and conducted extensive interviews of these employees. MEMO to COS from JKBENADUM (source): Source has been told to drop everything else and concentrate on Betty MORA to endeavor to find out any additional info which she might have re OSWALD and his activities on behalf of the Fair Play For Cuba Committee in New Orleans. La. prior to the assassination. (See para 264 above) In this connection it will be recalled that MORA Stated after the death of the President that she hoped that the FBI would not look too hard in New Orleans because it could be very bad"for us". / Source also reported that Reva BERNSTEIN. former Chairman of the FPFCC in Detroit. Mich., has been in Mexi for more than a month, that she had been in Puerto Vallarta for a month, that she had wanted to go to Playa Azul but that she did not do so because "it was not good to do so - so soon after the assassination", that she was leaving Mexi to go to Zijuatenejo. Source does not believe she was in Puerto Vallarta, nor that she is presently in Zijuatenejo. / BERSTEIN also told source that she had been questioned in Detroit, prior to her departure for Mexi, by the RCMP, but that no inquiry had been made of her by the FBI or any U.S. police or investigative agency. The interrogation had to do with the FPFCC. its activities in the Detroit area. and the fact that she had reportedly acted as a mail drop for Canadian communists. This interrogation took place in the office of her lawyer in Detroit. She admitted to source that she had, in fact, acted as a drop, but that she told the RCMP that she had merely acted as the addressee for "progressive publications" for her Canadian friends.

He had no fixed employment since his Tijuana job with the u-Up bottling firm in 57 or 58., occasional temporary jobs since about 58, mostly involving truckloading. / He married his present wife, Yolanda CORDOBA in 57 and now has five children; the youngest born 21 Oct 63. / Letters which have been observed indicate by postmark that ROJAS was in Cozumel, buts at a later period than he has stated and apparently for at least three to possibly five months, which contradicts information received from Daniel SOLIS, who stated Ylario ROSAS Villanueva was in Cozumel for about 2 weeks in June 63. ROJAS readily admits that he, ROJAS, is the uncle of SOLIS's wife. / A verification of his reported travel to the U.S. border, namely, Nuevo Laredo, has been established, although not on the specific dates furnished by ROJAS. CMA records reflect one Hilario ROJAS was on flt from Guadalajara to Nuevo Laredo on 3 Aug 62. CMA records further reflect that a telegram dated 31 July 62 at Nuevo Laredo authorized the CMA ticket office at Guadalajara to issue a ticket to Hilario ROJAS of 665 Chilarde Street. Guadalajara. (It is noted that ROJAS has stated that he formerly resided at Chilarde Street in Guadalajara.) ROJAS appears to be in normal physical condition and no outward signs observed of any manual deficiency. He did not reveal any mental quirks. He tends to be voluble in his conversations and to wander from specific lines of questioning. / He appears to react mentally in a manner reflecting innate intelligence superior to that of his stated sixth grade education. / He does not volunteer any motive for furnishing info to the U. S. Gov concerning his alleged association with unidentified Cubans and with OSWALD, both at U.S. border and at Cozumel. / Other than discrepancies waxing noted in various interviews conducted with ROJAS, the only apparently unusual development concerns a reportedly second letter that he has directed to U. S. Attorney General Robert Kennedy, wherein he, according to his own statement, stated that he had additional info to furnish. According to ROJAS, this additional info concerned a so-called camera which he saw in Cozumel in the possession of the unidentified Bubans and OSWALD, which camera reportedly had adaptations which could be utilized to fire about five cartridges, which cartridges reportedly have a small gas compartment and that said gas was for the purpose of cutting down on the noise made in firing said camera. He also described a rifle supposedly in the possession of these previously mentioned individuals. He claims to have beenxxxl told by the Cubans that the "camera" was worth about \$50,000 and was a Russian invention. / Attitude toward Polygraph Examination: It was explained to ROJAS that it might be necessary in the future to afford him a scientific examination with the use of certain instruments. He said he would be agreeable to such an examination. / Attitude of Mexican Government re Polygraph Examination: It is assumed that, as in the past case of the Nic. Echeverria should be so consulted and his authorization obtained to conduct said examination. At the same time, he can also be told that general results of exam would be furnished him. / It is further suggested that the full name of ROJAS should be furnished Echeverria and the fact that he would be examined either in Guadalajara or Mexi. There does not appear to be any reason for Echeverria to be furnished the iden of the Polygraph examiner ...

He also pointed out that tickets collected from the passengers on a given trip are forwarded to the offices of the bus company in Monterrey. / On 9 Dec Telesforo QUIROGA, ticket agent at Transportes Frontera office. Monterrey was interviewed. All tickets listed by number on the passenger manifest for the 2-3 Oct 63 trip from Mexi to Nuevo Laredo were located. QUIROGA could offer no explanation as to why no ticket number was listed for OSWALD, and it was impossible for him to locate a ticket which might have been used by OSWALD. / OSWALD in Mexi stayed at Hotel del Comercio. In last of three replies SOLIS asked VILLANUEVA repay 500 peso loan. SOLIS never heard from VILLANUEVA R after that. VILLANUEVA in one of three letters asked if SOLIS would like to be "secret police agent" con Cozumel. SOLIS had no further info on possible contacts VILLANUEVA with Cubans or Americans on Cozumel. VILLANUEVA when not working as albanil, spent his time at SOLIS home "chapeando" (weeding, cutting brush) and usually in hammock by 2030 hrs. Destination was given as Laredo. / No ticket number was listed by OSWALD's name although ticket numbers appeared beside the names of the remaining passengers. This manifest was poorly prepared in longhand with names of some of the passengers being incomplete and in some cases illegible. Toward the bottom of the manifest is a notation. for tickets. / According to Mr. LOZANO, a reservation is recorded by assigning a seat number as available and recording opposite the seat number assigned, the name and destination of the individual requesting the reservations. That reservation is respected under normal conditions until two hours before departure time; however, in the event all seats are not filled. it may be held until the actual departure of the bus. Prior to the departure of the bus, a final check is made of passengers in connection with tickets sold for that particular trip, and at that time the dispatcher communicates by radio to the company headquarters in Monterrey the number of "paying" passengers on the bus in relation to the Monterrey or Laredo destinations for which they purchased tickets. / Francisco ALVARADO. ticket salesman and dispatcher for Transportes Frontera, advised that he prepared most of the handwriting on the 2 Oct 63 manifest on which the name "OSWLD" and destination "Lared" appear opposite Seat No. 4. He stated that he did not write the "OSWLD" reservation info and it was his opinion that the reservation had been made and the info recorded by the baggage handler, Lucio LOPEZ. ALVARADO is quite certain at the present time that the individual designated on the list as "OSWLD" did not purchase a ticket and did not travel on the trip relating to that manifest. No ticket number was recorded for that person, and a search of the company's records in Monterrey had failed to locate a ticket stub which was not otherwise accounted for in connection with that particular trip. / The notations by ALVARADO of "9 Laredo. 7 Monterrey" reflected that he had reported by radio to the Monterray office of the company that the bus had departed with nine "paying" passengers for Laredo and seven "paying" passengers destined for Monterrey. Listed under "Name of Passengers" were "OSWLD" with no ticket number, indicating he did not travel; "Angel PEREZ" with no ticket number or destination, which confirmed that he had not purchased a ticket and had not boarded the bus; and "Nicolas GONZALEZ" Seat No. 10, listed as having traveled on a pass to Torreon. /.../ ALVARADO and Gilberto LOZANO stated that the notations on the back of the manifest referred to advances of funds made by ALVARADO to LOZANO from the cash for repairs, parts or other requirements. They related that the passenger lists are not kept as a permanent record, and, when the manifest was located in the "trash" at the request of investigators of the Mexi Presidential Staff, the Blanks at the tope of the form had not been filled in as to time, destination, trip number, bus number, and date, but they had completed those blanks from their personal knowledge in order to make that data clear to the investigators. They also had listed the names of the drivers on the formax at that time. They affirmed that the handwritten "Transportes Frontera" at the top of the document had been added by some official of the Mexi Government after the document was borrowed from them. / Both LOZANO and ALVARADO stated that they had no recollection of OSWALD, etc.... they could offer no explanation as to how Mexican authorities had arrived at the conclusion that OSWALD had travelled on the Transportes Frontera bus of 2 Oct 63. but pointed out that after the name was located on the manifest, they had not been given an opportunity of reviewing, analyzing or checking out the data thereon. / Lucio LOPEZ Medina, baggage and freight handler at Transportes, related that he often assists the ticket salesman by recording reservations and is quite certain that he wrote the "OSWLD" and "LARED" opposite Seat No. 4 on the passenger manifest of 2 Oct 63. He stated that he

also had recorded the reservations and ticket sales to "FCO SAUCEDO" one of the drivers

MEMO from LEGAT to Boonstra, cc to COS; Subject: OSWALD. - Ref: LEGAT memo dated 15 Jan 64 (para 277 above) - Same background info as para 277 with following additional: ROJAS claimed he could pinpoint the date 14 August 1962 as the day he arrived in Mexi because he sat in seat #14 on the bus and his hotel room was #14 and he arrived in Mexi, by coicidence, on 14 Aug 62. (That day, while waiting in a park near the bus station of the busline Estrellas de Oro, and the hotel where he sayed was in the vicinity, he was contacted by an unidentified individual, who he later learned was a Cuban. He saw this Cuban over a period of two days and this Cuban proposed that ROJAS help him in smuggling Cuban propaganda to Mexico.) / ..../ / / Details on interrogations concerning ROJAS, SOLIS, etc., ended up (page 22 of report from LEGAT) with "On 5 Mar 64, ROJAS, at Guadalajara, Jalisco, continued to maintain that he had met OSWALD at Nuevo Laredo and again later at Cozumel, as he had previously declared; however, subsequently on that day he orally admitted that he had never known or met OSWALD anywhere." / A written, signed statement declaring all information had been false was prepared and signed by ROJAS.

MEMO to COS from LEGAT: Subject: OSWALD. Source produced original of a passenger list or manifest relating to departure No. 2, Bus No. 340, 2 Oct 63, of the Transportes Frontera, S.A. de C. V. bus line, which has its headquarters in Monterrey, N. L. and its Mexi terminal at Buenavista Street No. 7. / The passenger list or manifest was clear evidence that OSWALD had departed from Mexi on the bus connected therewith which left Mexi at 1:00 p.m. and scheduled to have arrived at Nuevo Laredo, Tamps, (across border from Laredo, Texas) at 5:30 a.m., 3 Oct 63. / Info on passenger list is handwritten, not complete and not all legible, etc.... (report submitted typed list of passengers, seat number, ticket number and destination, etc.)... "Inquiry at Transportes Frontera Bus Terminal" - On 5 March 64. Gilberto LOZANO Guizar advised that he is the Manager of the Mexi Terminal of Transportes Frontera Bus Company, Buenavista #7, which has a franchise for "through service" between Mexi, Monterrey and Laredo, but is not permitted to sell tickets or pick up passengers at intermediate localities. / LOZANO said that Transportes Fronters had made a complete study of its records and procedures and has now arrived at the conclusion that the person designated as "OSWLD" on the 2 Oct 63 passenger manifest did not purchase a ticket and could not have traveled on the trip to which it relates. He pointed out that the list of passenger reservations, tickets sold, and passengers actually boarding the bus in Mexi are recorded on the form which is provided for that purpose and is maintained on a clip board on the counter from which ticket sales normallly are made by the ticket salesman and dispatcher, Francisco ALVARADO. He admitted that ALVARADO occasionally is assisted during rush hours or a temporary absence from the counter by the baggage handler, Lucio LOPEZ Medina, who may receive and record reservations on the manifest but does not handle the actual receipt of payment

Pedro RODRIGUEZ Ledesma, night watchman at hotel, claims OSWALD left hotel at 0630 or 0700 hrs, for RODRIGUEZ was a able to get a taxi for him; however, the maid, Matilde GARNICA, claimed she spoke to OSWALD that Saturday morning of his departure when he said "good morning" and he was in his room. Matilde GARNICA enters work between 0900 and 1000. Time discrepancy??

without wearing a coat???

If OSWALD ate meals at 1400 at restaurant next door to hotel, why was he never seen at hotel during the day? Did he never enter his room during the day, after lunch, to wash his hands? Why, if he were in area of Cub or Sov Emb or Colonia Condesa, would he return to the hotel location to eat, yet not be seen at the hotel??

Negro?? Any connection?? Brownt up by GARCIA Luna because of efforts to locate him so he could pay the bill??

SECRET

Sebastian PEREZ Hernandez, desk clerk and assistant to the owner of the Hotel del Comercio. had not conversed with OSWALD but remembered him clearly because few Americans stay at the hotel. He said OSWALD left the hotel each morning and did not return until evening, possibly after PEREZ Hernandez had completed his working day and left the hotel. OSWALD was alone and usually wore a knit, short-sleeved sport shirt and no coat or jacket. He did not remember seeing OSWALD depart the hotel on the morning of 2 Oct, but in it was possible that the night watchman, who remains at the reception desk during the night might have been aware of OSWALD's departure from the hotel. Watchman is Pedro RODRIGUEZ who could be located at the hotel after 2100 or during the early morning hours. / Pedro RODRIGUEZ Ledesma's warking hours are from 2100 to 0900, however, he often is able to leave the hotel by 0800 or earlier if the owner and manager, Guillermo GARCIA Luna, has arrived to relieve him and handle reception duties. He clearly recalls the young American whom he later identified in his mind as OSWALD and remembers that on the date of the latter's departure from the hotel and on the basis of sign language and the word "taxi" which he understood that OSWALD wanted a taxicab, RODRIGUEZ walked around the corner from the hotel where he obtained a taxicab. He believed OSWALD left the hotel between 0630 and 0700 since it was getting light when he went in search of the taxicab. He could not be more precise concerning the time. He believed OSWALD gave him a small tip of one or two pesos. OSWALD carried his own luggage downstairs and waited in front of the hotel with the luggage until RODRIGUEZ returned with the taxicab. RODRIBUEZ commented that while he had little difficulty obtaining a taxi at the early hour. it becomes very difficult to secure taxi transportation between 0730 and 0830 because of the heavy traffic at that time. RODRIGUEZ related that OSWALD always arrived at the hotel late at night, "midnight or thereafter", but he never noticed any indication that OSWALD had been drinking. / Guillermo GARCIA Luna said of Pedro RODRIGUEZ Ledesma that RODRIGUEZ is "humble but very serious, deeply religious, a family man, and highly reliable." / Dolores RAMIREZ de BARREIRO, owner, manager and sometimes cook at small restaurant immediately adjacent to Hotel del Comercio, stated that because of proximity of hotel, many hotel guests eat meals at restaurant. She remembered OSWALD who had eaten several meals at the restaurant in the late afternoon over a period of one weak. OSWALD appeared at the restaurant after the noon rush hour or some time after 1400, always alone, and ordered food by pointing at menu. Ate soup of day, rice, and either meat or eggs, but rejected dessert and coffee, and was very money (cost) conscious. Meals cost five to six pesos. //// Individuals in neighborhood of hotel were queried with negative results. //// Guillermo GARCIA Luna advised that on the basis of a search of abandoned correspondence, review of his records and accounts, and refreshing his memory through discussions with other personnel at hotel, he had been able to develop the following data: Antonio OLIVA is a Negro who had been considered Cuban but had clarified to GARCIA Luna that he had grown up on east coast of Mexico where "Cuban Spanish" is spoken. He registered as "musician" but was known to have been employed as a cook or cook's helper in an unidentified Mexi City restaurant. He had been living at the hotel with a woman to whom he referred as his "wife" but GARCIA Luna judged that she might have been his paramour. They left the hotel without paying a substantial hotel bill, and GARCIA Luna has been attempting to locate them without success.

V 398. 12 Oct Check Elena GARRO	MEMO FOR THE RECORD from Flannery (C/CA) Elena GARRO told Eunice Odio (who relayed to TICHBORN on 9 Oct) that she and her duaghter were invited to a party at the Cuban Emb during the period she now finds out that OSWALD was here in Mexi prior to the assassination. She
	was invited by a Mexi secretary in the Cub Emb whose husband is a cousin of the GARRO family (Horacio DURAN????). At the party, she saw three Gringos, not drinking, not mixing, and more or less just standing around together like "three bumps on a log". They were so obviously out of place, she asked someone in the Cub Emb about them and was told that "they were just passing ram through". She claims that on account of the way these three gringos stood out she took a good long look at them as did her daughter. When assassination occurred
399.	and OSWALD's picture was spread into the newspapers, both Elena and her daughter immediately said that he was one of the three gringos "without a doubt" at the party. Why a was this not sent to HQS	DIR 56876 (Ref: MEXI 1191 - para 397 above) Hqs has no evidence that Sovs have advance copy of photo. Comm sources assure us its copy of photo furnished by the FBI has also been altered to black out the background. At present the annex is scheduled for release around mid Nov. / Considered opinion here is that Sov action per ref would seem to be a logical CI step as a precautionary measure on basis of published comm report. That a thorough
	security survey should be done at this time either on Sov Emb's own initiative or on request from Moscow is not at all surprising, independently of any specifics contained in Comm report.  SECRET

MEMORANDUM OF CONVERSATION, /10 Dec 65) between Elena GARRO de Paz and Charles Thomas, Political Officer: On 25 Dec Elena discussed her alleged encounter with OSWALD. Also present were Thomas wife, and Elena's daughter, Elenita. Further info was given subsequently on 9 Jan 66. During this latter conversation, Elena admitted she had gone to AmEmb on an earlier occasion with her daughter and mother-in-law and talked to two Emb officers (presumably from LEGAT) about this matter. She said since the Emb officers did not give much credence to anything they said, they did not bother to give a very complete story. The following info supplements and in some instances corrects that given in the memo of Dec 10. / 1. Lydia. Horacio, and Ruben DURAN are all cousins of Elena. Silvia is married to Horacio, a weak man, who was converted to Communism by Ricardo GUERRA. Elena has nothing to do with Silvia whom she detests and considers a whore. Ruben was born in U.S. and served in U.S. army during war. ... Party was held at home of Ruben. / Elena believes date of party was 2 or 3 Sept 63, few days before visit of Sov astronaut, Gagarin, but is not sure of date. .. / At the party OSWALD wore a black sweater. He tended to be silent and stared at the floor. Two young American companions. one was very tall and slender and had long blond hair wik which hung across forehead, gaunt face and long protruding chin; other was tall, short light brown hair. . All three were obviously Americans and did not mix or dance with other people. The three were friends. because Elena saw them by chance the next day walking down the street together. / Although Elena had returned from Europe in June or July, she had already met Eusebio AZCUE and knows positively he was at party. On another occasion (not clear whether before or after the party in question), she attended a party where she saw Eusebio AZCUE Temilio CARBALLIDO: and a Latin American negro man with red hair. (These last 2 were not at the DURAN party as was stated in the 10 Dec memo.) CARBALLIDO and AZCUE, with others, were in heated discussion on that occasion about Kennedy and they came to conclusion that the only solution was to kill him. Elena said CARBALLIDO is known as a Castro agent; he had been to Red China, Sov Union, and many times to Cuba. Following assassination he spent a year in Cuba, then got a job teaching at Rutgers University through Dr. Jose VASQUEZ Amaral, formerly with Rockefeller Foundation in N.Y. and who is now a 2 professor at Rutgers. The day after assassination, Elenita encountered Sra. de AZCUE in Sanborns. On seeing her, Sra. de AZCUE hurried out of store. AZCUE was called back to Habana after assassination and his wife followed shortly...

Others present at DURAN party were Horacio and Silvia; Lydia DURAN; Elena's philocommunist sister, Deva GUERRERO; Gen. Jose Jesus CLARK Flores and his mistress, a Guat woman; a medical doctor from Dalinde Hospital; a young American couple, both fat and blond, who were spending their honeymoon in Mexi; a 40 yr old Mexi woman in a red dress; and a strange man who claimed to be Mexican but did not look or talk like one. His first name was Ale andro and he subsequently wrote Elenita several love letters. She turned these in to the Amer Emb. Ricardo GUERRA and wife Rosario CASTELLANOS were supposed to come to party but declined to come when they learned she (Elena) would be there. / On Sat., 23 Nov 63, Elena's brother drove her and Eleniga to Cub Emb at 3 p m. Her brother was embarrassed by their behavior and drove a block up the street to wait for them after letting them out. The two women then went inside gate and shouled "assassin" and other insults. Later that day a friend. Manuel CALVILLO took them to small hotel for safety....Since Elena could not remember name of hotel, she took Thomas to the part of town where she remembered it to be - Vermont Hotel. Calle Vermont 29, one and a half blocks west of Insurgentes just south of Viaducto. Elena said hotel is owned by someone from San Luis Potosi and used by businessmen from that area. She and Elenita did not register. CALVILLO registered them as relatives or friends of his from San Luis Potosi. They stayed there until the following Friday and hardly left their room. / Elena and Elenita saw newspapers with OSWALD's picture and knew they had seen him at party. When CALVILLO visited them at hotel, she told him she wanted to report to Amer Emb what she knew about OSWALD's connections with local communists and with AZCUE. CALVILLO said she shouldn't go because the Amer Emb was full of Communist spies. When she returned to her house the following week, guards were posted outside it. / When she saw her sister, Deva GUERRERA, the latter was terrified because of OSWALD's presence at the DURAN party. Sra. de GUERRERA was very angry with DURAN's because she thought they had become involved in the assassination plot for money. About 2 months after assassination, Sr. (or Sra.?) de GUERRERO was called in by two communists, whom we she refuses to identify, and was warned with threats never to reveal to anyone that she had been to a party with CSWALD. She remained so terrified that she would not accompany Elena to the Amer Emb to tell what she knew of OSWALD. / Shortly after assassination, Emilio CARBALLIDO, took DURANS to Jalapa, Veracruz and kept them out of the way for a while until the initail shock of assassination wore off. CARBALLIDO has connections with the University of Veracruz Press. / Shortly after assassination, an Amer woman, June COBB, came and spent several days in Elena's house. She was sent by their mutual friend, Eunice ODIO, a Costa Rican who is now June COBB's roommate and who was formerly the mistress of VASQUEZ Amoral when he was with Rockefeller Foundation, and Ermesto de la PENA. June COBB expressed interest in the assassination. She succeeded in getting Deva GUERRERO drunk one night, and the latter told all she knew about OSWALD and the party at the home of Ruben. COBB then wanted them to tell what they knew to the Amer authorities. Claiming to be CIA agent, she advised against going to Amer Emb and urged them to go to Texas to tell their story. Failing in this, she said she would arrange a meeting in a quiet cafe with the Chief of the CIA in Mexico. The meeting did not materialize, however, because she was asked to leavekha Elena's house. COBB had kicked the cat. / At end of Jan 64, Ruben visited Elena. He said he was going to visit the U.S. and wanted her to protect him as much as possible white he was away ... / Six months after assassination, when she was talking to Noe PALOMARES of

The write-ups of the Warren Comm report in the newspapers sparked this discussion, and they apparently had never really sat around determined to piece it all together, although all 3 were deeply affected The main points: Elena and Deba are first cousins of three young Mexicans named Duran: Ruben, Horacio, and Lynn, Horacio is the husband of Silvia the Mexican girl who was arrested for questioning about OSWALD because she had been in touch with him at the Cuban Emb when he went there looking for a visa. Memo of Conversation - Subject: Further on OSWALD and K Assassination - (Ref: Memo this Subj of 25 Dec 65 - para 427 above) Participants - Elena and Thomas (Pol Officer) Elena described some developments which may have some bearing on her claim that she saw OSWALD at a party at home of her cousin Ruben DURAN when OSWALD was in Mexico prior to assassination. / Elena said Carlos SOLORZANO is well acquainted with Cub Amb HERNANDEZ Armas, and that he was not leftist but his brother, Alfonso, was a Communist. Amb HERANNDEZ told SOLORAANO he wanted to meet Elena, so SOLORZANO arranged a party at his own home on 30 June 66 and invited both of them. Also present were Tito MONTEROSO and his wife; Elvira VARGAS, leftist journalist with NOVEDADES and personal friend of Pres DIAZ Ordaz; Emanuel CARBALLO, the pro-Castro writer: Joaquin DIAZ Canedo, head of publishing firm called Editorial Mortiz; and Juan SORIANO, painter, who was invited to make her feel at ease, since he is a friend of hers and was the only anti-Communist there besides herself. / During evening, Amb HERNANDEZ, whom she described as intelligent and cultured, concentrated his attention on her.... and expressed interest in her friend, Carlos MADRAZO. He issued a personal invitation to her to attend the annual literary festival of the Casa de las Americas in Havana. She said she was not a Fidelista and would not go unless Juan SORIANO went with her. Amb HERNANDEZ then invited SORIANO but the latter denounced the Castro regime over the objections of the others present.... / Later. her friend. Victor RICO Galan who personally dislikes Amb HERNANDEZ warned her not to go to Cubs alone / On 4 July 66 a driver from the Cub Emb delivered to her home on Calle Alencastre in Lomas Virreyes an envelope containing two letters and some printed matter from the Casa de las Americas in Havana. The first letter, written last October (66?) gave her address as Vermont 38 and the second letter, written in April, gave her address as Vermont 39. The envelope for the first letter, with the above address, was marked for return to the sender, which was the Cub Emb here. The second envelope, which contained the whole pkg, had no address as it was hand carried to her home - see attachments. / Elena stated the only reason the letters were addressed to her at Calle Vermont was because she spent several days at the Hotel Vermont after the assassination. The correct address of the hotel is Vermont 29, so she concluded the Cub Gov carried that street and number, with a minor error, as her regular address. / Since CALVIILO had taken her to the hotel ostensibly to protect her from the Communists, this raised the question of how the Cubans obtained that

Two other friends of these three who might have learned of it are Eunice ODIO and June COBB. She a has always been suspicious of all three because they went out of their way to cultivate her when she returned from Europe in 63 and made such a point of being outspoken professional anti-Communists Elema said CALVILLO was a close personal friend of Noe PALOMARES and Pres. DIAZ Ordaz, and that guards, presumably from Gobernacion, had been placed outside her home when she returned from the Hotel Vermonth/ Elena thought it possible that the Cub Emb had deliberately given her the letters from the Casa de las Americas with the Vermont Street address in order to frighten her. She was already concerned about what appeared to be three gunshots that had been fired through her upstairs window while she was out of the house three weeks ago/ Finally, Elena said she had
	recently encountered her cousin, Lydia M DURAN and that the latter had been very friendly and wanted to meet her again. She said Lydia was very poor and had a small job with Difision Cultural at the Anthropological Museum.  Attached are letters to Elena from the Casa de las Americas.

RHW NWOA - GARRISON Begins to Attract Attention - by Paul Scott - ... Attention of these congressional probers centers around GARRISON's interest in and handling of (1) an official of the Ku Klux Klan and (2) a former congressional committee employee, who has given secret testimony before the New Orleans grand jury ... / The KKK official involved in GARRISON's investigation is Jack M. HELM. former exalted cyclops of the New Orleans unit of the United Klans of America, and now head of an independent KKK group which he organized. Summoned before the House Un-American Activities Committee in Jan 66 during the committee's probe of the KKK, he was an uncooperative witness .... / GARRISON began his probe of HELM on a tip from Jules Rocco KIMBLE, a self-avowed member of the KKK, who also claimed he once worked special assignments for the CIA. The the CIA denies and GARRISON claims he will prove. KIMBLE reported that on the day after the death of David FERRIE, he drove HELM to FERRIE's apartment. HELM then came out with a satchel full of papers which, KIMBLE, says, the nKKK official then placed in a bank safe deposit box. KIMBLE said that Walter SHERIDAN. former Justice Department trouble shooter for the then Attorney General Robert Kennedy, once counseled him not to talk to anyone and to go to Canada. .. . The former congressional employee whose furnishing of information to CARRISON has interested congressional probers is Harold WEISBERG, author of books on the assassination, attacking the Warren Comm, the FBI and CIA... / WEISBURG is the same man who testified in 1940 before a House committee that he bought forged documents in an attempt to link the Dies committee to the Silver Shirts. (At that time the Silver Shirts was a militant right-wing organization on the attorney general's subversive list. were used in an abortive attempt by a Michigan congressman to smear the Dies committee. forerunner of the present House Committee on Un-American Activities.) Records of the Senate Internal Security Subcommittee also show that WEISBERG was dropped from the staff of the late Senator LaFollette's Special Investigating Subcommittee for leaking subcommittee confidential information. / ... In WEISBERG's book on the assassination, he contends that OSWALD was framed by an impersonator. Congressional probers are now checking WEISBERG's long-time contacts in the CIA and State Dept, including several persons who transferred to those agencies from the Office of Strategic Services (OSS) after World War II.

She might be revealed by the investigation going on in New Orleans some time this year. She also said GARRISON will be thwarted in his probe by "a lot of power and money from outside the U.S. and inside", however, the mystery woman's involvement will come out in any event,
