A. NOVEL is Polygraphed by Lloyd FURR on Garrison's Charges.

Jordan Lawrence NOVEL, already a fugitive witness in the Garrison inquiry, is reported in the Washington press of 27 March 1967 as having been polygraphed the previous day on the case under investigation by Garrison. According to the press reports, NOVEL submitted to a polygraph examination conducted at McLean, Virginia by Lloyd FURR. In statements to the press, FURR indicated there was no indication of deception to NOVEL's charges that Garrison's case is a "fraud".

B. Lloyd FURR's Relationship to Richard L. BAST and REDEX.

Lloyd FURR, a former District of Columbia policeman and now a private detective, is a self-proclaimed polygraph "expert" and sound device specialist. He has received publicity in the past for planting sound devices for the late Fulton Lewis, Jr. in the St. Mary's County vice case in 1953 and in 1958 when he discovered listening devices being used against Bernard Goldfine. In 1964, information was received that a Washington, D. C. firm, REDEX, operated by FURR and Richard L. BAST, was attempting to sell electronic equipment to Communist China via an agent in Hong Kong. (TSD had unclassified contact with FURR in 1962 to see equipment offered for sale by FURR.)

C. Richard L. BAST and REDEX.

Richard L. BAST, a Washington, D. C. private detective, gained notoriety in 1965 by turning up a missing witness, previously unlocated by the Department of Justice, in connection with the Bobby Baker case. He is known to operate at least four enterprises: 1) CAPITAL BUREAU OF INVESTIGATION, a private detective agency; 2) REDEX VIETNAM, INC., a firm which imports a variety of commodities ranging from liquor to automobiles into South Vietnam, including, of late, U. S. -recruited "go-go" girls for a Saigon nightclub he is planning; 3) REDEX CORP., a firm which sells almost anything to anybody abroad, other than South Vietnam; and 4) CONSOLIDATED ARMAMENTS, INC., a firm which sells small arms to foreign governments and private individuals abroad. BAST also produces and distributes both positive audio and counteraudio devices in the U. S. and

SECRET

evermore. EAST, described as "unscrupulous and untrustworthy", is known to have attempted to contract with another private detective for planting a remote-controlled bomb in the headquarters of the Haiti Secret Police, and has been reported to have undertaken similar extreme assignments for exile groups from Haiti and the Dominican Republic. (Based on derogatory information on file, DCS, in March 1967, decided against previously contemplated contact with EAST as a source of information on Asia.)

D. BAST, REDEX, and William W. TURNER of RAMPARTS

CA Staff has provided information that during January 1967, William W. TURNER, who identified himself as a free-lance writer, visited the offices of the Asia Foundation, requesting information for a magazine article. He stated that he had been asked by Sol Stern of New York to gather information for an article in the New York Times. During his visit, however, it became obvious that TURNER was primed to ask questions about the financing of the foundation, rather than its actual purpose or activities. When TURNER concluded the interview he left a calling card with the firm name "REDEX-PACIFIC". He explained he had to have new cards printed. TURNER, reportedly dismissed from the FBI in 1961, is noted to have authored an article in the November 1966 issue of RAMPARTS Magazine in which he describes alleged wiretapping, surreptitious entry, etc., performed by him while with the FBI. Sol Stern, whom he claimed to represent, is assistant managing editor of RAMPARTS Magazine.

E. Role of FURR and BAST in CIA Meeting of Exile

(The foregoing has attempted to detail the contact of NOVEL with FURR, FURR's connection with BAST, and a possible connection between BAST's organization and RAMPARTS. The following indicates the only CIA involvement in the chain which might be exploited in subsequent attempts to link CIA to the entire affair in question.)

On 29 April 1963, ~~Robert L. Owen~~ then Chief, WE/3 and in the Asia Station, directed a memorandum to the Chief,

...in which ~~Owen~~ documented a conversation ~~Owen~~ had on 27 April 1963 with a Raymond CASSAGNOL, an anti-Duvalier exile from Haiti. In the memorandum he relates that the conversation took place in the home of Richard L. EAST whom Owen had met through a neighbor, Lloyd FURR.

The memorandum relates CASSAGNOL's background, family, political stance, etc. Reported as significant by ~~Owen~~ is a statement by EAST that the following week EAST would be sending a shipment of arms to a CASSAGNOL-affiliated group in the Dominican Republic. ~~Owen~~ noted: "Raymond CASSAGNOL gives appearance of thinking well of Richard EAST. According to CASSAGNOL, his brother, Jacques, also knows EAST and respects him. Thus EAST, in spite of certain personal shortcomings from the intelligence standpoint, does represent an established channel to at least one segment of the Haitian opposition to Duvalier. Since according to his own statement, EAST is supplying arms to CASSAGNOL's groups, further transactions of this type via EAST presumably would not be difficult to arrange." He also provided a detailed information on what he learned of EAST, noting that EAST had mentioned Dominican distrust of State and AID and the fact that "CIA double-crossed them" (the Dominicans).

An FBI report on EAST dated 19 June 1963 reports that ~~Owen~~ "Foreign Service Reserve Officer, USDS" (his cover) had reported 16 May 1963 his attendance at dinner at EAST's home on 27 April 1963. ~~Owen~~ told of his meeting with CASSAGNOL, EAST's intention to sell arms to the Dominican Republic and Haitian exiles, etc. He also reports that on 7 May 1963, EAST asked him to perform some translation work. The translation, he stated, related to EAST giving a power of attorney to one Luis MORENO Martinez of the Dominican Republic to prepare documentation for legal establishment of REDEX CORPORATION, C P O R A, a DR branch of EAST's firm. According to ~~Owen~~ 40% of the stock was to be held by the head of the DR National Security Agency, the head of the DR secret police, and an individual well-connected with Dominican Republic police and intelligence groups. EAST is also noted to have told ~~Owen~~ of an offer EAST had made to "bug" the office of the Dominican

Department of State for the Armed Forces on behalf of Juan
Bast. BAST did not indicate to ~~Owen~~ if had performed
the job.

(There is no record of a clearance having been issued for
utilization of Richard L. BAST or REDEX.)
