REFERENCE(S)

Attached is a letter, sent to the Embassy, a rough translation of which follows:

"The 'dangerous' organizations:

"Have you thought that our world is a great community of organizations. There are a great number of idealistic organizations, there are professional organizations, there are political organizations, there are organizations within the business world, etc. Practically everyone in our world now belongs to one or several organizations. And the organizations have significant power in our world - one can well call them a third power in our world.

"What I want to show you, with the enclosed picture, is the clenched right hand, upright, slightly leaning toward the shoulder, the thumb at an angle over the fingers. It requires training, for the member, to execute this organization's sign.

"I have seen this sign made, but I can not recall where, as well as writing paper with this emblem.

"He wants to show with this sign, all is clear (comment: could be translated: the job is finished), but help me now.

"(If) You can get hold of this organization, which has this sign, you have come to the solution to that terrible crime, which happened in November 1963, in your part of the world.

"I have traveled much, you can certainly search out this organization in our world, I wish you great success and sign

2. The Station files contained one card with the name Johan Artur WENNSTRÖM and the information that he was sentenced to 10 months imprisonment for espionage in Sweden. Unfortunately the material to which this card referred has been destroyed. From the 1964 telephone directory for Nässjö, from which the letter was sent, there are the following listings:

- Fabrikant (manufacturer) Stig WENNSTRÖM, Ulriksdalsgatan 3, Nässjö.
- Bertil WENNSTRÖM, Gambogatan 4, Nässjö. Document Number **581-249**
- Per WENNSTRÖM, Centralgatan 9, Nässjö. for FOIA Review on **JUN 1976**

The Station has no traces on WENCO-WENETA HANDELSBOLAG. The company is not listed in the 1963-64 edition of the Svenska Aktiebolag. The 1964 Nässjö telephone book lists the following:

WENCO-WENETA, Handelsbolag (trade company). Bosättnings Artiklar Export (household furnishings export), Järnvägsgratan 24.

The company is not, however, listed in the 1963 editions of the telephone books for Lund or Helsingborg (The 1964 editions have not yet been received.).

De "farliga" organisationerna:

Har Ni tänkt på, att vår värld är ett stort organisations-samhälle. Det finns en lång rad ideella organisationer, det finns fackliga organisationer, det finns politiska organisationer, det finns organisationer inom näringslivet osv. Så gott som alla människor i vår värld tillhör numera en eller flera organisationer., Och organisationerna har en betydande makt i vår värld - man kan gott kalla dem en tredje statsmakt, i vår värld.

Vad jag vill visa Eder, med den medsända bilden, är den knutna högra hand, stående, lite lutad åt axeln, samt tummen i vinkel, över fingrarna.
Det fordras träning, för medlemmen, att utföra detta organisations tecken.
Jag har sett dessa tecken göras, men kan inte erinra mig var, samt skrivpapper med detta emblem.
Han vill visa med detta tecken, allt är klart, men hjälp mig nu.
Kan Ni få tag i denna organisation, som har detta tecken, har Ni kommit till lösningen, av detta hemiska brott, som hände i november 1963, i Eder världsdal.
Jag har rest mycket,
Ni kan säkert leta fram denna organisationen i vår värld,
Stor framgång önskar jag eder & teckna
