In addition LIRING-3, a professional artist, finds himself involved in the development of a commercial venture, an undertaking for which he is ill equipped. This cakes shortcoming requires very close guidance by ECATOR and, in turn, makes LIRING-3 even more dependent on his case officer. Thus, while LIRING-3 occasionally thinks of returning ty painting and giving art lessons and develops qualma about taking money from ROWTON for what he considers to be little result, LIRING-3 keeps involving himself deeper and deeper in activities of interest to ROWTON.

3. The above does not mean that LIRIRG-3's activities should not be subjected to every operational control possible, on the contrary. LIRIRG-3's story concerning the manner in which birth certificates can be obtained in Northern Maxico to secure valid Maxican passports continues, for example, to be suspect. It now appears, on the other hand, that "CARCIA" of the Guatemalan FAR exists (LIRIRG-4 talked to him) and that be does not want LIRIRG-3 to come in contact with other Maxico residents connected with the Guatemalan guerrillas such as the alleged FAR propaganda representative at the UNAM University. LIRIRG-3 is convinced he can lay on a meeting with GARCIA in advance so that ROWION can have a look at the Guatemalan. In spite of GARCIA's cautiousness, such a meeting has to take place sconer or later. The Station is ready. It also appears that for reasons as yet unclear, Maxican leftists such as Sergio FVALDEZ, Raul FRORENO and others are seeking LIRING-3 and appear to want something from him.

4. ECWTON's recent efforts to develop LIRING-4's potential regarding LIRING and it's staff paid off when LIRING-4 was asked to "fill in" when one of the secretaries in LIRING-9's section had to return home temporarily on sick leave. It already appears that LIRING-4, an experienced hand in LIRING-9's overt business, will be given quite a bit of responsibility in that office. It is hoped that by becoming quasi indispensable she will be asked to remain at LIRING after the return of the person for whom she is "filling in." LIRING-4, while very much in love with her husband, has a mind of her own, a great liking for ROWTON and, according to LIRING-3 himself, an intelligence much superior to his. She is also gifted with Oriental type patience. With LIRING-3's knowledge, ROWTON has started to make small payments to LIRING-4 to provide separate financial incentive and help her pay for furniture and other items she purchased on credit some time ago.

5. The sketch mantioned in the last paragraph of RCWTON's report dated 26 May was retained by this Station. RCWTON used this sketch to discuss with LIRING-4 the layout of LIRING-9's section. The statement made at the end of paragraph 4 of the report dated 27 May is in error. LIRING-9's section has two telephones. What LIRING-4 took for a third phone in the back room of that section is in reality an intercom unit.

5. Headquarters attention is called to paragraphs 3 through 5 of RCMTON's report dated 26 May, The fact that SilviADUIAN had sexual intercourse with Lee Earvey/OSWALD on several occasions when the latter was in Maxico City is probably now, but adds little to the OSWALD case. The Maxican police did not report the extent of the DURAN-OSWALD relationship to this Station.

7. The result of Station file checks on VALDEZ and MORENO were indicated in the reference. Those on Marcels and Eugenia GLOUIN ere being forwarded in a dispatch covering LIRING-7's activities. There are no traces on Pas ESPEJO. Silvis DURAN and Teress PROEMZA are well known to Headquarters. Felips ROJAS Morales is an employee of the Maxico City Cuban-Maxican Cultural Institute.
