This document is for the use of your agency only and neither it nor its contents should be further distributed without appropriate authorization.

Reference is made to my memorandum dated January 18, 1967, captioned WILLIAM R. DOBKINS, requesting authorization to disseminate information concerning subject's contact with the Cuban Embassy in Mexico City.

We have received information that the reported travel to Mexico of the subject in order to arrange for his defection to the Soviet Union occurred following his discharge from the United States Marine Corps in August 1959. He allegedly went to Tijuana, Baja California, where he contacted a local "communist" with whom he had become acquainted in a tavern, and sought to arrange his defection through this person. We are arranging for appropriate inquiry to be conducted in Tijuana.
