Source, Operational Data, and Comments:

The information in this report was obtained from a local detective who works for the National Police. An informant of the Police in Paris provided a report to the latter concerning activities of the Colombian delegation, and he added names of delegates of certain other countries. This informant is studying in Paris and he accompanied the delegates to Berlin. It is likely that the interested stations have this information, but it is thought it might serve to confirm, or possibly add a bit to, the material already on hand.
