I. Origory Ye. GOLUE came to Finland as a Vice Consul in 1955. In late December 1956 he was promoted to Second Secretary and Chief of the Consular Section, Soviet Embassy. From information given by several sources, we have compiled the following description of GOLUE and some background data.

2. He was born about 1925 in the environs of either Odessa or Kharkov. He proudly asserted that he was a Ukrainian. During World War II he was a colonel in the Soviet Army, saw action in Laningrad and Mescow and was wounded six times. He claimed to be a child psychologist. Although he looked like a product of peasant stock, his conversation implied that he was well-educated and knowledgeable on diplomatic affairs, Marxiss and current events which involve the USSR. Contrarily, his knowledge of life outside the USSR was masger. He was married to Mina Fedorovna. Rather sorrowfully he explained that he and his wife would like to have children but so far have not been so blessed. His main interest in sports was skiing. He was very jovial, congenial and seemed to enjoy playing hest. It has been very obvicus that he always picks up the check when he dines with Westerners - even if he is not the host.

3. To one source GULUB stated he had served in Vienna, Warsaw, Budapest, Bucharest and Sophia; while to another he stated that Helsinki was his first foreign assignment. It is possible that GULUB meant Helsinki was his "first foreign assignment" outside the Soviet Flos (if he had served in Vienna during the occupation), or he could have been deliberately attempting to confuse. He has conversed only in Bussian and Finnish; however, he stated that he had attended the Language Institute. We suspect that he also knows some English but may feel reluctant to converse in English.

h. GOLUB's predecessor was a known RIS officer, probably RUB. We suspect that GOLUB is now the top RUB officer in Helsinki. Although we have no concrete swidence for this suspicion, we feel that GOLUB's interest in Westerners generally and in particularly in his opposite numbers in Western installations in Helsinki is more than would be called for by his position.

5. DS 207h, when shown a newspaper phote of GOLUB, stated that GOLUB's face was familiar. When DS 207h was told GOLUB's name, Source replied that there was a lisetemant colonel with this name in the MDB. Source could not remember the directorate but thought possibly it might have been a technical section. Source knew that Lt. Col. GOLUB was a "fairly high boss." DS 207h could not recall whether he had ever seen Lt. Col. GOLUB to know him so he did not know if the GOLUB in the newsphoto was identical with the Lt. Col. GOLUB of the MDB.

6. We would appreciate any further information on GOLUB which might substantiate

7. We are trying to identify positively the N. MAKEEV. We have written to the Helsinki and London stations for more information on the MAKEEVs who have been assigned to these areas. FOR YOUR INFORMATION ONLY: The description of the N. MAKEEV, show assigned to Finland, more nearly fits that of Nikolay Gerasimovich MANEEV who was formerly assigned as a TASS correspondent to London from 1950 to 1953 and as Cultural Attache to the Soviet Embassy, Bonn from February 1956 to about May 1957. In both London and Bonn he was suspected of engaging in intelligence activities. We would seppreciate receiving information on the N. MAKEEV, now in Helsinki, which might help wus to identify him.
