contribution to the Clandestine Service.

By virtue of unusual dedication to duty which over a period of several years, included consistently long hours, superior performance and tangible achievement in sensitive matters of national security, Miss Goodpasture has excelled as an operations officer. She was the case officer who was responsible for the identification of Lee Harvey Oswald in his dealings with the Cuban Embassy in Mexico. She was also responsible for other important and successful operations against Soviet penetration efforts directed toward the United States from Mexico. She would rather work than rest, and when she works, she always impresses her superiors with her mastery over her craft. For thirty years Miss Goodpasture has given unstintingly of herself to the cause and mission of this Agency; the Agency owes her formal acknowledgement of appreciation.
